RADIO STATION LICENSED

It was disclosed last Tuesday that Bryant's radio station was granted its long-awaited broadcasting license by the FCC. This was a joyous day for all the hard-working people involved with the station, particularly the Chairman of the Board, Steve Boulter.

The station is planning to be on the air by February 1, and hopes to be broadcasting over the public address system in the Unistructure within the next few weeks. John Orrell, the station's publicity man, stated that the station would not be broadcasting until February because of a few unfinished details. The station's call letters have not yet been determined by the Federal Communications Commission and the terms of the license must be changed. Also, the radio room is still in the process of being made ready for broadcasting. The work is being carried out under the supervision of professional communications engineers. The radio staff feels that it wants the station to be run in a professional manner, and that it will take time to organize and coordinate its functions.

A key person in working for the station's license has been Dr. Fullerton, who contacted government officials on local and national levels to aid in obtaining the license.

Once the station is operating, it will be an FM educational station with ten watts and a frequency of 91.5. Students interested in working on the radio staff are invited to attend the meetings which are held Tuesday's at 3 p.m. in the radio room (off the lounge on the third level of the Unistructure).

REPORT TO OUTLINE

TEXTBOOK TROUBLES

The scarcity of required textbooks is a fact the students of Bryant College have had to cope with for five weeks. Texts have been administered with many students lacking the necessary text. Students just having received the book have had to "cram" in order to catch up with the rest. The students have been innocent bystanders receiving the punishment while the blame, of course, lies elsewhere.

Alan Chep, Chairman of the Ad Hoc Committee, has been looking into this and other problems concerning textbooks.

These reports, which are now being finished for presentation next week, concern the Bookstore, the Faculty, and the publishing companies. The reports include not only scarcity of books, but also prices (a student pays approximately $500 in an average four-year career at Bryant), neglect on the part of the faculty, and the publishers' indifference towards college bookstores.

All of this will be included in an extensive report with tables outlining prices, turnover of books, etc., in next week's issue of the ARCHWAY.

CAMPUS HIGHLIGHT

Rumor has it that everyone enjoyed last Tuesday night's meal... on the floor, walls, and windows of the cafeteria. Thanks and a tip of the hat to Tommie D., this year's new ARA conductor. See page two for his new hit release. (Photos by Stein)

Vice Presidential Search In Progress

The President's Office is presently involved in a search for a new Vice President of Business Affairs. This office has been vacant since last summer, when former Vice President, Frank Dolmonico resigned.

The College received over 90 applications for the job from which eight final candidates were chosen. The President's Office is in the process of interviewing these eight candidates. The "interview" consists of a day of meetings, informal gatherings, and formal interviews. The interview starts at 8 a.m. with a meeting of the administrators of the Department of Business Affairs and the other Vice Presidents of the College. The candidate is then interviewed for 45 minutes by each of these members of the Administration. The candidate is then taken on a tour of the campus and has lunch with several members of the faculty. In the afternoon, there are more interviews followed by dinner with members of the student body. This includes Greg Evans and Matt McMannus of the Student Senate, Bob Tngale and Don Harrington of the Greek Letter Council, Steve Boulter of the Radio Station, and Richard Schirbelath and Stephen Sidomel of the ARCHWAY. All interviewers are given cards on which to rate each candidate and these will be used as an aid in picking the new Vice President. The final decision will be made by Dr. Evans, and this will be done by the end of October.

The duties of the Vice President of Business Affairs are numerous and varied; but basically, he is responsible to the President for the administration of all the business and financial activities of the college.

Thus far, the President's Office has interviewed four of the candidates. Two of the candidates are in-house men. They are Michael Filippelli, Assistant Professor of Accounting; and Dante Tita, Director of Personnel and Budgeting.

Battle Of The Sexes Part II

Commuter Rights

Dear Editor,

I am writing in response to the letter submitted by "Six Happy Dorm Students" printed in the October 8th edition of the Archway.

Though there is a lounge set aside supposedly for commuters at Bryant, dorm students used this room last year at least as much as dorm students. No check was made to see that only commuters were admitted. Therefore, dorm students took it upon themselves to make this lounge available to the entire student body.

The commuter lounge last semester had soda, milk, pasty, candy, and cigarette machines. These are not present in the "new" commuter lounge. It is easy for particular dorm students or faculty members to solve the difficulty of carrying cups of soda upstairs to carry cans of soda instead. However, I would like to know where a canned soda machine is located in the Unistructure or where there is an available refrigerator to store cans of soda to keep cold during the day at Bryant.

In response to another letter printed last week, most commuters work for the money that pays for their tuition. If this is what is meant by "pampered," what is having the opportunity to live on campus?

In closing, I would like to point out that one of the main criticisms most of its leisure activities (movies, etc.) during the evening when commuters are either working or recuperating from their daily park or full-time jobs. The rights of commuters must be recognized: Name withheld.

Student Discounts

Dear Editor,

I should like to bring to the attention of the student body the availability of student discount rates for numerous concerts presented in Rhode Island. Through the Endowment Program offered by the State Council on the Arts, students may attend the programs at half price. This rate is applicable to series tickets as well as to individual concerts. Those programs in this year's schedule include both renowned artists in the world, among them Nurney, Van Cliburn, Beverly Sills, the National Chinese Opera Theatre, etc.

These students wishing to avail themselves of this opportunity should contact me in Room 370 or Room 380 any Tuesday, Thursday, or Friday.

Yours sincerely,
Linda Rosenberg, Lecturer in Music

Careers for Secretarial and Office Education

Dear Editor,

On Thursday, October 18, in the Auditorium the Department of Secretarial and Office Education will be holding its annual Freshman Orientation Seminar.

The program will feature speakers discussing the various majors available in the Department—accounting, executive, legal, and medical.

Marte B. C.

Lee Ann Apthorp, a freshman at Bryant, died early last Monday morning in her dormitory suite. She was discovered at about 2 a.m. by two of her suite-mates who notified other students and the College Security Office.

Lee was taken to Fogarty Memorial Hospital by the Rescue Patrol of the Smithfield Police Department. Cause of death was reported as suffocation by the State Medical Examiner, Dr. Joseph Polumbo.

Lee was the daughter of Mr. and Mrs. Grant Apthorp of Jewett City, Connecticut. She graduated from the Norwich Free Academy, Norwich, Connecticut in June, 1973 and was a Secretarial-Science major here at Bryant.

A memorial service was held on Wednesday in Jewett City.

BRYANT'S NEW HOTLINE

This little message here is for everyone. It is for you, for me, for the id, and the ego.

A few of us thought we might like to start something unique here at Bryant College. We want to call it the Bryant HOTLINE. It's an outlet for any problems or questions that any individual might come across--A GENERAL INFORMATION SERVICE. And it is simple, no commitments, no membership, no money. All you need to do is talk to someone.

Just suppose 500 of us get together Wednesday night, October 17 at 8:30 p.m. And suppose half of us give our first names and telephone numbers on a list to be published.

That would already give us 250 people willing to help any individual when they need it. Example:

If you ever need help, no matter what kind of help, and you want to talk to someone about it, call any of the people listed below. If there is no answer, or the person by that name no longer lives there for some reason, then try another number or another--until you get an answer.

1. Bob 632-74-...
2. Linda 831-66-...
3. Fred 776-84-...
4. Tiny 231-00-...

and the list will go on and on!

The Bryant HOTLINE is a general information service. If a person should happen to call you with a serious psychological or emotional problem, you will be supplied with a directory of reference numbers that will put the person in touch with a counselor on campus, such as Father Barrette, Janet Morahan, Peter Barlow, Carmen Jordan, or Barry Fullerton.

As a general information service it can work like this: You belong to an organization on campus and are planning an open party or meeting of some kind. Use the Bryant HOTLINE to help you. Call the first name on the list and tell them what you are planning. In turn, they will call the next person on the list. And so on and so on. Just like a chain letter. The only obligation you have will be to call the next name on the list hat you will be supplied with. Or maybe you will need to call someone once in a year. Simple? Theoretically we could have every member of the Bryant community on the list--dorm students, commuters, faculty, and administration. Let's finally get the communication we have always wanted in this college.

See you Wednesday night, October 17, at 8:30 p.m. at the coffee house (Country Comfort.) And once again--it's for everyone. Administration, faculty, and students.

No need to come with someone. You, yourself, may need help itself.

Nichols Nips Bryant

by Lawrence Selvin

Our soccer team suffered a heartbreaking defeat at the feet of Nichols College 2 to 1 on Columbus Day. The Bisons from Dudley, Massachusetts, took to the warm playground, their reservation, under sunny skies.

Bryant Coach Gerry Gau decided to start Freshman Tom Robbins in the nets. He played well in the early half before an average sized crowd. Robbins accumulated 12 saves during the time he saw action.

Regular goalie John Feeley replaced the former, adding his talent and experience to the Bryant team in the final half. Bryant incurred a 1-0 halftime deficit for the following reasons. Although more frequent substitutions were made than in past games the Indians attack at times lacked cohesiveness and precision. While taking to the offensive Bryant often bunched their players causing difficulty in mounting real driving threats.

Even the unexpected and brief appearance of an eager dog failed to motivate Bryant's defense. Opponents have tallied first in almost every country under communism and at the 1973 Olympics to break up.

Attorney General Larry Waltham, the war path early on the Indian's field drive, which climax was the Indians back home on October 22, 1973. Bryant's next encounter has been made vacant. Anyone interested in this position can obtain information in the Senate Office.

In other Senate news, Junior Senator Bill Corrente put forth a motion for a committee to be formed to deal with the friction which has developed between factions of the commuters and dorm students. The motion was passed, and the committee, with the help and advice of dormitory and commuter students, will attempt to resolve grievances between the two groups. In connection with this problem, it was disclosed at the Senate meeting that plans are in the works to improve facilities in the lounge and make it for all students.

Leonard and Lynch Elected to New Positions Within Senate

by Paul Carroll

The Student Senate elected two new members to its Executive Council at last Tuesday's meeting. They are Junior Senator Fred Leonard, who was elected Speaker of the Council; and Sophomore Senator Michael Lynch, who was elected to the office of Treasurer.

In a letter presented to the Senate, Leonard put forth his objectives as Speaker of the Council, foremost of which is "to make the Senate an efficient and respected voice of the students." He also spoke of working on important current issues at Bryant, such as the newly-planned registration policy, dorm deposits, and the prices in the snack bar.

Michael Lynch, who has been serving as Acting Treasurer since Brej Kassabian's resignation, presented a financial report of the Senate's Budget. The balance for this semester is $14,382.50.

Mike will present a more detailed report at the Senate's next meeting. Due to Mike Lynch's election to the Executive Council, a sophomore Senate seat has been made vacant. Anyone interested in this position can obtain information in the Senate Office.

The Faculty, Administration and Staff played to a 6-6 tie against the students on Wednesday afternoon. The outcome of the annual United Way football game was the only surprise to the students than it was to their fans. After convincingly defeating the Faculty, Administration and Staff (FAS) for the past several years, the win tied a deadlock for the students.

At kickoff time, the FAS had just nine men on the field. With this organizanment, it's no wonder the students put up three scores immediately. Upon returning the kickoff to the 25-yard line, the students marched 56 yards on a 38-yard pass from Joe Lombardo to Mark Warfield. After the pass, the FAS defense was on its heels, and the students continued to march into the end zone. The ball was kicked by Mike McGregor after the TD and the FAS fans were silenced.

Barry Fullerton's kick-off to the 25-yard line, the students marched 56 yards on a 38-yard pass from Joe Lombardo to Mark Warfield. After the pass, the FAS defense was on its heels, and the students continued to march into the end zone. The ball was kicked by Mike McGregor after the TD and the FAS fans were silenced.

Barry Fullerton's second TD from the 35-yard line was followed by a 33-yard TD pass from Joe Lombardo to Mark Warfield. The students then marched 56 yards on a 38-yard pass from Joe Lombardo to Mark Warfield. After the pass, the FAS defense was on its heels, and the students continued to march into the end zone. The ball was kicked by Mike McGregor after the TD and the FAS fans were silenced.

Barry Fullerton's third TD from the 35-yard line was followed by a 33-yard TD pass from Joe Lombardo to Mark Warfield. The students then marched 56 yards on a 38-yard pass from Joe Lombardo to Mark Warfield. After the pass, the FAS defense was on its heels, and the students continued to march into the end zone. The ball was kicked by Mike McGregor after the TD and the FAS fans were silenced.

Barry Fullerton's fourth TD from the 35-yard line was followed by a 33-yard TD pass from Joe Lombardo to Mark Warfield. The students then marched 56 yards on a 38-yard pass from Joe Lombardo to Mark Warfield. After the pass, the FAS defense was on its heels, and the students continued to march into the end zone. The ball was kicked by Mike McGregor after the TD and the FAS fans were silenced.

Barry Fullerton's fifth TD from the 35-yard line was followed by a 33-yard TD pass from Joe Lombardo to Mark Warfield. The students then marched 56 yards on a 38-yard pass from Joe Lombardo to Mark Warfield. After the pass, the FAS defense was on its heels, and the students continued to march into the end zone. The ball was kicked by Mike McGregor after the TD and the FAS fans were silenced.

Barry Fullerton's sixth TD from the 35-yard line was followed by a 33-yard TD pass from Joe Lombardo to Mark Warfield. The students then marched 56 yards on a 38-yard pass from Joe Lombardo to Mark Warfield. After the pass, the FAS defense was on its heels, and the students continued to march into the end zone. The ball was kicked by Mike McGregor after the TD and the FAS fans were silenced.

Barry Fullerton's seventh TD from the 35-yard line was followed by a 33-yard TD pass from Joe Lombardo to Mark Warfield.
