First Parents’ Weekend
Well Received by All

Beaming smiles and the easily discernable look of content were the order of things during the two days and two nights that added up to a highly successful First Annual Parent’s Weekend. It was the right time, the right place and the right circumstances—or so it seems, that made this weekend just past so enjoyable. The highlight was the Mystique Coffee House held in the Wigwam on Friday night. Appearing before a full house, the Choralaires and the Stardusters, under the direction of Miss Roby Tripp and Professor Ralph Handy, respectively, outdid themselves in one of their best performances. Even the band’s student director, Peter Granger, noted with delight that his group must be good since many of the parents and students as well danced to the contemporary strains of the Stardusters!

In spite of the heavy downpour, many parents and students turned out for the Activities Fair, a presentation of the activities and Greek organizations on campus.

On Saturday morning, all began well with brunch being served in the dining hall. Tours of the campus began later in the morning, but they had to be curtailed because of a heavy downpour that continued all day. Although the weather was ideal for the morning’s program, it was an activities fair held in the gym and staged by the Senate organizations. Parents paraded leisurely up and down the rows of posters, bands, and trophies, studying and asking questions as they proceeded toward the highlight of the fair. Placed on the stage as an eye catching attraction was the model of the new campus on the Tupper property in Smithfield. The model was supplemented by pictures of the area and possible dormitory conceptions prepared by the architect. Few parents missed the display, and most of them commented favorably concerning the bright future for Bryant on the new campus.

Special lectures with Sam Knox giving an outlook for the stock market this year, John Jelks explaining many of the aspects of the drug problem for today’s youth, and Jim Estey discussing the causes behind today’s student unrest, made Saturday afternoon enlivening for both parents and students as well as the three guest lecturers. Question and answer periods were a major part of this segment of the program, and active is only a mild term that would describe the participation in each of the three discussions. The three topics were of current interest, the three lecturers were highly able in their respective subjects (despite an opening comment by Mr. Knox), and these two ingredients made this the highpoint of the weekend. The discussions gave the parents the opportunity to become a part of the college life for the first time. It gave them an interest, although the interest was already there by virtue of their presence. (Continued on Page 2)

Grad School Could Begin in September

The college could implement a graduate school program as early as this fall, if certain major considerations could be effected prior to that time, according to remarks made at the Senior class meeting a week ago, by Vice President Manion.

The idea of an MBA program has been approved by Dr. Holslett and the Board of Trustees, and actually all that remains to be done is to locate an individual who can become Dean of the Graduate Program. The bottom floors of the college-owned apartment houses next to Alumni Hall on Benevolent would serve as offices for the program. With the exception, all grad classes would be held in present classrooms.

According to Mr. James Estey, also a speaker at the meeting, five new Ph.D’s are being hired for September, since accreditation authorities have dictated that an individual must hold a Doctorate to be a department head. These persons are being chosen for their teaching skill in addition to their knowledge, and will also be responsible for working on grad programs.

Dr. Manion stated that in the future, the college would be drawing more heavily on Junior Colleges. It will, therefore, be necessary to offer a program which will appeal to B.A. liberal arts, and English grads. Foundation course totaling 18 hours would apply to those students with no business background. Present Bryant undergraduates, however, could immediately take advanced courses of 30 hours credit. It’s hoped that the Foundation courses will start in September.

Plans call for the number of majors to double by the time we make the Tupper campus move. Included would be Finance, Hotel Management, and Behavioral Sciences. Provision has been made for growth—our grad department will not be limited to MBA degrees.

Management seminar courses in the fall will be changed. Either a game-theory course will be worked out utilizing the

Have the Greeks Died at Bryant?

Lately, it seems that with all the criticism directed at the Greeks and the pledging policy, the implication is that the Greeks are dying at Bryant. Without getting emotional or subjectively involved, this article will attempt to give an objective explanation through figures and accomplishments of what the Greeks stand for at Bryant.

Currently have been compiled of all the leaders on campus;

dormitory council—75% are Greeks
dormitory presidents—77% are Greeks
dormitory vice-presidents—39% are Greeks
dormitory secretaries—76% are Greeks
dormitory treasurer—24% are Greeks
resident assistants—42% are Greeks
class officers: presidents—75% are Greeks vice-presidents—100% are Greeks secretaries—50% are Greeks

Greeks There are 50% Greeks in tennisc 33% are Greeks tennis
golf—49% are Greeks
cross country—54% are Greeks

Out of the 19 recognized clubs on campus, 32% of the presidents are Greeks. When I came time for the administration, faculty, and students to those who’s Who in American College and Universities, 72% of those chosen were Greeks.

When considering only those activities not sponsored by the Greeks—54% have Greek leaders. If all the activities of Bryant College are included, 77% of all the leaders of the activities are Greeks. This is a high percentage considering that the Greeks remain 27% of the student body.

According to the National Interfraternity council, 19% of the student body being Greek at any college campus represents a strong Greek system. Bryant has 27%!

What has this 27% done? In the area of charity and public service, the individual Greek organizations or the Greek Letter Council as a whole have sponsored the following activities:

Blood drive
Heart Fund drive
United Fund
March of Dimes
Progress for Providence
Red Cross and Children’s Youth Center
Car Wash for Biafra
Biafra Drive
Foreign Child Adoption
Blackstone Valley Community Action Program
Clean up Butler Hospital
Counselors for the lakefiled Children’s Home
Boys’ Club Christmas Party

(Continued on Page 3)
Better Reporting Needed

On Parietal Hours

Dear Editor:

I offer here comment on the article by Your Inquiring Re- porter, Chris Kirk. This article concerned itself with the curfew imposed on the women residents of Bryant College. I have reason to question the number of interviews this reporter conducted and the thoroughness of each interview.

For most of this second semester, I have been crusading for parietal hours in both the men’s and women’s dormitories. These activities brought me into contact with many girls of each age group and from the many dorms. In my discussions with the girls on the topic of parietal hours, we often talked about other related issues. Among these issues was the question of curfews. I was shocked to find that a majority of the girls I spoke to did not want extended curfews.

Among their reasons for favoring the present curfews were the following: (1) secretarial majors have a great deal of shorthand and typing to do and if they come in later than 10:00 p.m. they wouldn’t have time to do it. (2) If a girl goes out on weekends and doesn’t like the boy she’s with, it is an honest excuse for coming in early. (3) There isn’t anything to do on week days at late hours.

I personally feel that these girls are being unfair to those responsible students who can handle a later curfew. Therefore, I agree with the author of the article that there should be a review of the curfew restrictions on girls. However, I would like to see more comprehensive reporting on situations such as these. Chris Kirk presented a one sided and misleading article. Reporting such as this can only lead to misunderstandings by those who have not had an opportunity to observe this subject in person and must rely on this second hand information.

Sincerely,

Stuart Frankel ’72
Stuart Miller ’72

Should Bryant Be Ashamed?

Dear Editor:

The administration of Bryant College should hang their heads in shame.

As everyone knows, Monday, March 31, 1969, was the National day of mourning for the late General Eisenhower. Gen- eral was one of all allied forces in World War II, Supreme Com- mander of NATO after the war, and thirty-fourth President of the U. S. A.

What tribute did Bryant College pay to this great American on the National day of mourning in his honor? The flag at South Hall flew at half mast, the Administration Building flag flew at half mast but was taken down before 2:45. The flag at Memorial Hall was not flown. Mrs. Hodett, before addressing the student body, called for a moment of silence in remembrance of the General.

William S. Heaton ’71

Greeks

(Continued from Page 1)

Raffle for foster child
Boys’ Club Carnival
Letters to soldiers in Viet Nam
Project for Bradley Hospital
Car wash for Providence police

Through these projects or drives the Greeks have raised $3,282 this year.

Surprisingly enough with 75% of the leaders on campus and with charity and sport activities, the busy Greeks maintain a cumulative average in the top half of their classes. The aver-

age for fraternities is 2.44 and for sorceries, 2.51.

Putting everything together—the leaders, sports, high scholastic average, the charity activities, and the public relations gain for Bryant College—one

suddenly finds that the Greeks create what Bryant stands for. If Greeks no longer participated in extra-curricular activities, Bryant College would be much different from what it is today.

O’Keefe at Delta Omega Monday

Delta Omega Professional Society is privileged to announce that the speaker at the April 25th dinner meeting will be Mr. Bernard J. O’Keefe, President of EG&G, Inc., and Chairman of the Board of the Greater Boston Chamber of Commerce. Mr. O’Keefe will be speaking on The Moral Obligations of Business to the Community at The Admiral Inn, Cumberland, after the 6:30 dinner.

Mr. O’Keefe is known as one of the key men in the business world today. His company EG&G, Inc., was instrumental in being the first company to experiment with the social and economic needs of the American Negro. EG&G was the first company to build, man, and manage an all-black production plant in the Roxbury section of Boston. Mr. O’Keefe and his ideas have appeared in national publications such as Business World and Fortune Magazine.

Educated at George Washington University, Mr. O’Keefe graduated in 1937, B.S.E.E., magna cum laude.

The speaker’s business career began at General Electric in 1941 where he was engaged in the development and testing of turbo-generator and control systems and became assistant head of the test department at the Fitchburg, Mass. plant. Later, he supervised the installation of turbo-generator systems at various U. S. Navy shipyards and left G.E. in 1943 for active ser-

vice in the U. S. Naval Reserve.

During World War II, he was assigned to the Naval Research Laboratory, the Los Alamos Scientific Laboratory, and MIT. While at Los Alamos he participated in the development of the first nuclear weapons. Upon completion of the war, he was assigned to Japan to study the effects of nuclear weapons.

In 1946, Mr. O’Keefe was appointed to the Electrical Engineering Staff of the Division of Industrial Cooperation at MIT and was a founder of the Radiation Instruments Company, a corporation devoted to the development of infrared detectors.

May Queen 1969 -- the Best Eever

With Spring once again a reality on the campus, a young man’s fancy not only turns to thoughts of love, but also to Tau Kappa Epsilon’s twenty-third Annual May Queen.

CARNIVAL

The greatest May Queen ever begins Tuesday, April 29, at 6:00 P.M. in the gym with the annual CARNIVAL. All fraternities and sororities will employ their ingenious minds and energies in creating fascinating booths containing games of skill or chance. This is everyone’s chance to force the Greeks into bankruptcy and enjoy every minute of it. The judging of each fraternity booth will take place at approximately 8:30 P.M. The tremendous competition of last year’s CARNIVAL only added to the

First Parents' Weekend Well Received By All

(Continued from Page 1)

Saturday evening was left open in order to allow parents to meet and get acquainted with the parents of friends and associates of their sons or daughters. All parents, when they registered, were given a list of some of the fine restaurants in the area.

Sunday morning saw the close of the First Annual Parents' Weekend. It began with an interfaith service lead by Larry Greenman and Donald Kelly of BCA and Newman, respectively. Reverend Sanford from the Mouthpiece Coffee House gave the sermon on Institutional Sin.

Following the service the weekend was concluded by a brunch and a meet the faculty coffee hour. This was the point in which the parents had the opportunity to discuss some of the warnings that they received in the mail just a few weeks ago, or on the other hand, to thank former instructors for the high grades they awarded to their children. From the high rate of conversation during the coffee hour, it was quite noticeable that both parents and teachers really got to know each other.

And so ended the First Parents' Weekend, one attended by two hundred parents in all, and enjoyed by most. The parents who participated got much out of this experience, as did their students and the teachers. However, now is the time to spread the word of this success in order to make the Second Annual Weekend a bigger success. Congratulations to the Senate for their work on this activity.

J.J.B.

Secretarial Seminar April 26

The first annual student-secretary seminar will be held on Saturday, April 26, at 10:00 A.M. in the Student Activities Auditorium. The co-sponsor of the seminar will be the Rhode Island Chapter of the NSA International. The event itself will be held in observance of National Secretaries Week.

Those participating in the seminar will have the opportunity to meet executives, professional secretaries, NSA Annual Scholarship winners, and other secretaries-to-be. The discussion group will consist of: Mr. Pat Burke, of St. Regis Paper Co., Mr. John Ricottili, of Taco Heaters, Miss Bunty Nunes, of Terry Hanna Travel Service, Mrs. Carolyn Rotondo, of Citizens Savings Bank, Miss Alicia Frett, of Bryant College, Miss Susan Pressler, also of Bryant College. The moderator for the seminar will be Miss Clarissa M. B. Patterson, Chairman of the Secretarial Studies Department.

Students need no reservation in order to attend the seminar, but need only register at the door. The registration fee will be only $1 and the charge for the luncheon merely $2.25. The success of the seminar will of course depend upon the student participation. It is hoped that this secretarial seminar will become an annual event.

Investment Club Sells Falling Stock

Members of the Bryant College Investment Club have voted to sell all of the club’s shares in California Computer Products. Since purchasing 10 shares of the stock in December at $38.87 per share, club members have watched the stock drop to a recent price of $31 per share. After listening to a report made on the company and its present position, members felt it was better to abandon ship while there was still a ship to abandon.

Although the company is not in any great financial difficulty, research indicated that a further substantial drop in price was a distinct possibility. The club’s broker has notified to sell the stock as soon as a suitable price can be demanded.

A meeting of the club will be held on Thursday, May 1, at 3 p.m. in Room 1-1. Elections for new year’s officers will be held at this meeting. All students interested in becoming members are invited to attend.

Sandy Blough
New S E T Pres.

Tuesday evening, Theta’s formal initiation of their pledges took place at Sandy Aloisio’s home. As usual, it was a beautiful ceremony. Congratulations to all the new sisters and new officers. The new president is Sandy Blough. After the initiation, a surprise wedding shower was held for sister Linda Harding.

Our pledge formal will take place on May 9.

BRYANT’S
LITTLE MAN ON CAMPUS

New Officers Sworn In At Z B T Pledge Formal

By George Raymond

The brothers of Zeta Beta Tau Fraternity are proud to announce the newly-elected officers for the coming year:

President — Gary Hopkins, Vice-President — David Axel, Third Vice-President — Michael Bever, Secretary — Ralph Rolleri, Treasurer — Paul Johnson, Sergeant-at-Arms — Paul Labich, Assistant Sergeant-at-Arms — Bill Fieldman, Historian — George Raymond, Alumnus Secretary — Bernard Natarigianaro, Chaplain — Kenneth Kelly, and Athletic Director — Hugh Boyton.

All were officially sworn in at the Pledge Formal held last Friday night. All the brothers are glad “Pledging 1969” has finally come to an official end. Saturday night, the semi-annual beach party was staged, turning out to be as exciting as the first one held in November.

ZBT started the softball season on the wrong foot, losing to PKT by a score of 9-1. According to Hugh Boyton there will be a change as he has been working hard with the players to improve the various places that need it. (As you remember, ZBT also lost its first basketball game)

Volleyball was on a different story. In the “best-of-three” series held a week ago, ZBT lost the first, but came battling back to win the next two and exit with the win. Bill Bryant’s service club enjoyed tremendous games with JB exhibiting his fine talents on the front line against the overtaken “LIDS”.

Rhode Island veterans attending school under the G.I. Bill can take a summer vacation without losing any of their remaining VA education and training entitlement when they return to school in the fall, according to John L. Reavy, Manager of the Providence Veterans Administration Regional Office.

Further, if they plan to return to the same school and pursue the same course next fall, they need not apply for a new certificate of eligibility.

Reavy also pointed out to the veterans hoping to find a summer job that G.I. Bill education and training allowances are not affected by the amount of money a veteran earns on his own. Allowances are determined only by the amount of training (full-time, three-quarters, half-time) a veteran is taking and by the number of his dependents, the Providence VA Regional Office Manager said.

Veterans who may decide to continue working after summer vacation is over and defer returning to school until next year or later were reminded that they must complete their G.I. Bill education and training within eight years after their discharge from service or by May 31, 1974, whichever is later.

T E P Defeats Nats

In its first baseball contest of the season, TEP defeated the Nats by a score of 14-3. The Nats never were a real threat as TEP led the game for its entirety. With both a good defense and some fine hitters, this year’s team, under the direction of our new athletic director Bob Gardner, is very optimistic of coming up with a good season.

In other sports news, TEP’s bowling team shutout ZBT 4 to 0 in a match last week which puts TEP very close to the top four and which also puts it in contention for the semi-finals.

Vets and the G. l. Bill: Where You Stand

The “no-cut” policy mixes well with beautiful spring weather. This was exemplified last week as many of the Bryant students took to the outdoors during last week’s sudden spring. It seemed that after the regular spring vacation, students found it necessary to keep their “Bermuda” or “Florida” tans.

Airport Motor Lodge Scene of A S T Pledge Formal

On Friday, April 18, the annual Pledge Formal was held for the brothers of Delta Sigma Phi and the Sisters of Alpha Sigma Tau. The event took place at the Airport Motor Lodge in Warwick. The evening started with a cocktail hour which was held from 7:30 to 8:30 p.m., with dinner following. Congratulations to all who received awards.

The softball season has begun at last. Last Thursday A ST lost to AFR with a score of 12 to 2. Our annual Parents’ Banquet was held on Sunday, April 20. The highlight of the banquet was the installation of our new officers. We wish them the best of luck during the next year. Graduating sisters received engraved plaques, and awards were given out for the sister holding the highest cum and for best sister. Congratulations to all.

PHI Tau Downs Z B T 9-1

By Dave Dudas

Phi Tau softball team posted an impressive 9-1 victory over ZBT recently. Sue Springer, who was the winning pitcher of the game, looks as though he will have another good season.

The volleyball team started the season with two victories over Phi Sig, 21-7, 21-9. It appears it will be a fine season for both teams. Also our bowling team is tied for first place with only 3 weeks left.

Congratulations go out to Ken Snow for his part in setting up the Senate’s first Annual Parents’ Weekend.

KDK Holds Election
By Paula Pascone
The Colonial Motor Inn was the setting of KDK’s Pledge Formation April 16. The evening began with a cocktail hour, followed by dinner and the installation of the College’s officers and new members. Paula Charlton, President, gave a brief summary of the past year: Janet DeLeo was announced and presented as the new President of KDK; and the pledges were inducted as sisters. Best Pledge was awarded to Sharon DeLeo, and Jeanne Fournier was named Best Sister. The rest of the evening was devoted to congratulating and dancing.

Saturday night the brothers and sisters gathered at Home­neck Bosch for a bonfire.

Our annual Installation Banquet will be combined with the Mother-Daughter Banquet this year. It will be held on Sunday, April 25, at 10:00 and 3:00

KDK’s Spring dinner will be served at 5:00 P.M. The following officers will be installed:

Janet DeLeo, President
Lei’s Turner, Vice-President
Sharon Balio, Secretary
Betty Ateno, Vice-President
Patsila Leignier, Treasurer
Doris Talbot, Historian

Good luck to Tau Kappa Epsilon on their upcoming May Queen Weekend. Congratulations to all the sisters to Peter Charlemont on his recent promotion and to Debbie Mal­dillo, our honorary sister, on her recent promotion.

Joe Curcio New PhiSig President
By Mark Diehl
Last Friday evening Phi Sig and SIG held the annual pledge formal at the Coachman. At this last big social event of the year, the new officers of Phi Sig were installed. They are President, Joe Czar, at Aegeons; Brother John LaBore; Secretary, Dan David­son; Treasurer, Dick Moore. We wish them you all the best of luck and give them our wholehearted support. We would also like to thank their outgoing officers headed by President Jack Reza for the tremendous job that they did throughout the year.

Various awards were also presented at the Pledge Formal, in­cluding Best Brother chosen by the brothers, Tom Marcello; Best Brother chosen by the sis­
ters, Tom Calhoun; Best Pledge, Bob Dal; Most Scholastic, Dick Reza; Most Athletic, Willis Vennelis; and Best Sister, Nancy Dobey.

Phil Sig started its softball season with a win over Parks House, 10-0.

Good luck to our candidates for May Queen, Elizabeth Payne. Your brothers are behind you all the way.

Baseball Roundup

After a comparatively slow start the Indians have won two out of their last three games. In the season opener the Bryant team traveled to New Bedford and beat the Indians by a score of 13-7 and on Saturday, April 12, lost a doubleheader to Nichols College by scores of 4-8 and 23-6. On Wednesday, April 16, the Indians beat SMTI 7-6 for their first victory. The next afternoon the Indians lost to Husson College by a score of 14-1. Friday the 18th saw the Indians crush St. Francis 10-3 on the Knights home field. In SNECC play the Indians have a record of 1-3.

Outstanding for the Indians so far have been the doubles-pitcher Dave DeSouza who has a .474 batting average and catcher Bill Duffy with a .363 mark. The leading pitcher on the staff so far has been Bill "Wally" Thorne with a 1-5 record. The other win was by Dave DeSouza with a victory over St. Francis.

The team is a very inexperienced one this year. There are only 5 players from last year's team on this year's squad. Up from last year's fresh squad are 6 players and there are four players who came out for the first time this year.

Bryant Student in Boston Marathon

The annual race from Hopkinton to Boston, better known as the Boston Marathon, was run this year by a Bryant freshman, Roy Lapidus. Roy, a Fair Lawn, New Jersey resident, presently living in Gardner Hall, was the only one of the 25 mile race. Roy ran for 2 1/2 hours under the watchful eye of coach Aljouni who made sure the Indians' heartache was not in vain.

Looking at this year's Indian baseball team, many changes are noticeable from the baseball teams of the past three years. In the past the Indians have been known for their fine pitching and fast hitting. This season however, Bryant has a very weak pitching staff and excellent hitting. On the pitching staff are only two full-time pitchers. Everyone else on the squad who pitches plays primarily at another position. Bill Thorne and Eddie Meyer lead the squad, while Dave DeLucia and Steve Barcinozzi have helped out. Other members of the staff will pitch when the games start crowding together. Another weakness the Indians appear to have is in the defense. However, this situation seems to be rectifying itself as the season advances. After the sixth game of the season the team had a batting average of .250 but an earned run average of 4.50 so the pitchers have to keep the number of pitches down so they can work more than they have.

The Indians, as have all New England baseball teams, have been hampered by the cold weather. Also, the Indians have not been able to recoup the loss of four members of last year's team who did not come out for this year's squad. The Indians have adjusted very well to the methods of new coach Bill Stein. Coach Stein permits no loafing at practice and during the game everyone including the players on the bench are in the game.

Freshman Coach Richie Sarrella has assembled a very strong squad and with the experience they will receive this year they are sure to help the varsity squad next year. The strong point on the fresh squad is their pitching. Coach Stein is anxiously awaiting to put the fresh squads pitching with this season's varsity hitting. Incidentally, this probably is the last year Bryant will have a freshman baseball team since starting in September; freshmen will play in all sports except basketball and football according to ECAC rules.

Tennis Beat

By David Hansen

Omar Graddock at work on the Benevolent Street courts.

The Notmen are still seeking their initial victory of the season, since they dropped their second close contest to a strong SMTI team 5 to 4.

This encounter was characterized by SMTI jumping out to a quick 5-0 lead as they captured the first, three singles matches of the day. Omar Graddock and Ed Siskman led a valiant Bryant effort to overcome this commanding lead by capturing their 4th and 5th singles matches respectively; however, SMTI was victorious in a closely fought 6th singles match and went into the doubles leading 4-2.

SMTI's victory was assured when their No. 1 doubles combo of Jeff Towagua and Pete Vienue rolled in an easy victory over Bryant's combination of Tom Bass and Steve Murray. Bryant closed out the scoring by capturing the two remaining doubles matches convincingly.

Final Score: SMTI 5-Bryant 4.

SMTI is Bryant's arch-rival and the team that they must beat in order to win the NAI regional playoffs (May 2 and 3), and thus receive a bid to compete in the Nationals held in Kansas City. I feel confident that once things begin to click for the Indians that the outcome will be reversed.

Last Friday and Saturday Bryant traveled to New Bedford to compete in the Southern New England College tournament. The teams competing in this tournament were Bryant, SMTI, Bridgewater State, Quinnipiac, and Nichols.

Each team was allowed to enter two singles players and a doubles team. Bryant did well overall accumulating a total of 7 points and finishing runner-up to SMTI who polled a total of 8 points.

Bryant had two finalists in the two-day competition in New Bedford. In the No. 1 singles bracket, and the doubles combination of Dave Hansen and Omar Graddock.

Tom played outstandingly, breasting past two opponents before losing to Jack Beardsworth of SMTI in the finals 6-4, 6-0. Bryant's doubles' combo of Dave Hansen and Omar Graddock were equally impressive as they duplicated Tom's record before being edged out in a close 3-set match in the finals against Jeff Towagua and Pete Vienue of SMTI, 6-8, 6-4, 6-3.

Steve Murray competed in the second singles bracket and did a good job winning two points for the Indians.

Bryant's match against Nichols, Wednesday, April 16, was rained out with Bryant leading at the time and has been re-scheduled for May 7.

Girls' Tennis will be starting this week with the first practice session scheduled for Saturday afternoon at 5:00 P.M.

Three matches have been scheduled as of this time against URI, Rhode Island College, and Vermont Court Junior College. Any Bryant girl interested in playing should report to the Benevolent Street Courts or make her intentions known to Dave Hansen.
