Bryant Shines at the U.N.

by John Rankin, Nick Stamboulis and Rose Lee

Lobovits, the ISO advisor. The delegate, who represented the College and who all worked so hard for such a major achievement, were Frank Mesina, Ben Kasbanian, Nick Stamboulis, Henry Lightbourne, Cyriac Kemp, Rose Lee and John Rankin, Delegation Chairperson.

Next year the ISO hopes to be able to sponsor a delegation to the NNUM once again to represent Bryant College so ably. All students are encouraged to take advantage of this opportunity in political and parliamentary debate. Interested persons should contact Dr. Sol Loebait, ISO representative in the Graduate Office or any ISO member. The only regret is that this could be the last year for this event which is so educationally and intellectually stimulating because Bryant College is considering cancelling the allocation of funds for participation in this national conference, in which Bryant so ably shines.

Faculty Members Attend Seminar

The Marriott Hotel, Philadelphia, Pennsylvania, was the setting for the Twenty-Fifth Annual Meeting of the Northeast Regional Group of the American Accounting Association. The seminar was sponsored by the Wharton School, University of Pennsylvania, on April 18-20.

The four members of the faculty that represented Bryant College at the convention were: Mickey Perlow, Assistant Professor of Accounting; Lee Wass, Associate Professor of Accounting; and Henry Foley, Coordinator of the Finance Department.

The purpose of the seminar is to keep teachers in touch with advancements in the field of Accounting. Offered at the seminar were sessions that dealt with areas in accounting such as the subject of a Free Market Nationalism for Corporate Social Accounting, Capitalization of Leases, and Financial Accounting.

WEB Elections to be Held May 9, 1974

It was learned this week that the Bryant College Student Senate will hold elections for Sophomore, Junior, and Senior senate seats. With the change in the student government, the change is a result of the Senate approval of a new constitutional amendment proposed by Freshman Senator, Michael Hammer, on April 8, 1974. Hammer reported that there were several things which prompted him to propose the amendment: 1) It will give the students a chance to run in September, 2) Committee projects can begin in September and be organized by October, 3) The Freshmen can then express their interests in various committees and begin working on them, and 4) Elimination of the contingency of losing a senate seat and chairmanship in September, which could severely affect incentive and planning for the upcoming year.

When asked for comment on the amendment, Kevin McCarty, Student Senate President, felt that the move, "Is a good one", and "It shows a desire for change in the student government."

ELECTION RULES

1. All candidates for Senate positions in the Legislative Body can display as many posters as they desire in the Undercute and the dormitories beginning 3 p.m. Monday, May 7, 1974.

2. The Student Senate will provide one stool and 100 sheets of "tear off" paper for each candidate, when they return nomination papers. These must be returned to be processed.

3. The Executive Council of the Student Senate will have the power to ban or remove any posters, handbills, or other displays that it does not within the realm of open and fair competition.

4. All candidates seeking an office in the Student Senate can obtain nomination papers from the Student Senate Office beginning Friday, April 27, 1974.

5. Each candidate is required to obtain (5) signatures of students in his class and return nomination papers to the Student Senate Office no later than 5 p.m. on Wednesday, May 1, 1974.

6. By Friday, May 10, at 7 p.m., all posters, handbills, or other displays must be removed from the campus or a multi-member charge will be made.

7. Any candidate found guilty of misrepresenting names on the nomination papers or found guilty of breaking any of the rules above, as determined by the Executive Council of the Student Senate will be declared ineligible to run for a student Senate position.

8. Voting will be conducted according to the following rules:

a. There will be three polling stations set up: entrance, at the dormitory entrance, and one at the Rotunda. The polling stations will be open from 3 p.m. to 9 p.m. on Tuesday, May 9, 1974.

b. Each voting station will have a copy of the student identification card, or a copy of the student's name, student number, and signature on file. These will be put in a locked and numbered box.

c. No candidates will be permitted to remain near any of the polling stations during the voting.

d. Each candidate must personally deliver his nomination form to the Student Senate Office at the time he registered for the office. The Student Senate will then be able to check the signatures, and that ballot once completed will be put in a locked box.

9. No candidates will be permitted to remain near any of the polling stations during the voting.

10. Any challenges to the election will be presented to the Student Senate on April 24, 1974, by 5 p.m.

11. The Student Senate will be elected at large from each class.

It is inspired to see the students, faculty, and staff eating, drinking, and laughing together in an atmosphere of mutual respect. The festivities were enhanced by the musical talents of Ms. Carolyn (Tarry) Barrow on piano and the harp; the comedic voice of Mr. Marion McKean.

This was an excellent opportunity for students and faculty alike to air their views on women's role in the college community. Some of the students I spoke with thought the college was "too out of date." "We need to modernize" and they said they would definitely be behind a push for more women's activities and women's sports programs. One student opinion was that females at Bryant were too frequently stereotyped. Much enjoyed by all, it was definitely expressed that such functions should be continued on a regular basis.
Right On, Girls!

On Wednesday, April 24, the women of Bryant got together for two hours of wine and song. The Springfest was held in the Faculty Dining Room and the place was absolutely packed.

For the first time in Bryant history, the women of the College came together to exchange ideas and express the "problems and pleasures" that Bryant women experience here. One of the outstanding attributes of the Springfest was that women from every level of the service on campus. The new WEB column in THE ARCHWAY absolutely packed.

The most important thing about the Springfest is that the women of Bryant have finally come out and identified some of their common concerns. Some of these concerns have to do with the development of a varsity sports program for women, acceptance of women in social and business functions, appreciation of the talents of Bryant women, and some kind of gynecological referral service. However, it is important to note that ARCHWAY was also discussed and all members of the Bryant Community are invited to submit articles for publication under the WEB headline.

THE ARCHWAY congratulates the women who were involved in making the Springfest possible. We hope that most of these kinds of this offered to the entire Bryant Community.

It's time for Bryant College to recognize what an important asset its women are!

Softball Rules Should Be Explained!

Dear Editor,

On Monday, April 22, the Bryant Blue Sox were defeated in a softball game to BSO. We feel that this defeat could have been avoided if more of the rules of softball had been posted in the gym or a copy made available to the team coach or captain.

We have been informed by Bill Drury that in order to obtain the rules for softball games is to ask him or the Assistant Athletic Director, Bill Nieman or Mr. Drury to explain everything they know about the rules to you. We hope they don't forget anything!

We would like to call your attention to several occasions to see a copy of the rules. In response we were asked, "What specific rules do you want to see?"

We want to see the rules so we can ask specific questions about them.

We were also "reminded" that there wasn't going to be the appropriate time and place to acquire (sic) the rules. That would mean that you can't ask the rules if the meeting had been announced to you. In addition, the meeting had been announced to us.

An example of the necessity for published softball rules is the game between BSO and the Bryant Blue Sox. Not only was the BSO team confused because of ignorance but there was a batting-box rule that neither team was aware of. The ruling caused an "out" for BSO on one of their batter's walks. The Blue Sox team was informed of this rule at the post-game meeting held by the Bryant Blue Sox.

We hope that the softball rules will be placed where they can be read by all members of the bleachers and the coaches. Then, perhaps, there will be more confusion or misunderstandings in any intramural softball games played at Bryant.

Kevin C. Smith

Bryant Blue Sox

BAYARD COLLEGE
A RACIST INSTITUTION

Dear Editor,

This letter is directed to the "name withheld by request" critic and to the unenlightened persons who subscribe to and/or condone blind criticism and ignorance manifested in pseudo-objectivity. It appears that the demented outburst evidenced in last week's criticism of Watu Waziri is but another example of a typical Bryant College mentality: paranoia which must be suppressed. Don't you realize that coexistence requires some understanding, tolerance, and fairness. Perhaps if you were to start being responsible people, some of the problems might be solved.

What was the main problem last week? If you are to work with us, perhaps you should know that the administration is not responsible to Bryant students. I have heard a great deal of criticism of the administration since September. I've heard you rave about your "activist" students. Perhaps the administration avoids its responsibility to Bryant students. I have heard a great deal of criticism of the students' responsibilities. Why was the Game Room closed all weekend? If you are to work with us, perhaps you should know that it was closed because some people were irresponsible. In fact, they were down right rude. Yes, I was out in the sun, but I didn't have a job to do, I worked on campus every afternoon; sometimes I'd rather be outside, but I lost my temper. The students in the Game Room, with the rest of the student body, should stop bitching and start being responsible people.

Sincerely yours,

Selfish Bryant Employees

Editor

Dear Editor,

I have heard a great deal of criticism of the administration since September. I've heard you rave about your "activist" students. Perhaps the administration avoids its responsibility to Bryant students. I have heard a great deal of criticism of the students' responsibilities. Why was the Game Room closed all weekend? If you are to work with us, perhaps you should know that it was closed because some people were irresponsible. In fact, they were down right rude. Yes, I was out in the sun, but I didn't have a job to do, I worked on campus every afternoon; sometimes I'd rather be outside, but I lost my temper. The students in the Game Room, with the rest of the student body, should stop bitching and start being responsible people.

Sincerely yours,

Assistant Athletic Director,

Bryant College

VARisty Sports

Dear Editor,

This appears to be a strong interest in the area of Intramural sports for girls. In fact, some intercollegiate sports on the Varsity level exist for the males in the areas of football, track, baseball, bowling, and tennis.

As a female student at Bryant, the opportunities for intramurals vary greatly. There are definitely the interest present, as evidenced by the large number of female students at Bryant interested in participating in intramural sports. However, there appears to be a lack of interest in creating a new intramural sports team. Perhaps there should be more activities available for those who are not interested in the traditional sports.

Bryant Alumni will "Remember When"

Approximately 400 Bryant College Alumni will "Remember When" at their Third Annual Alumni Dinner Dance to be held in the Salamone Dining Room on Saturday, April 27, 1974. The theme of the event will capture the mood of bygones days of the 30's, 40's, and 50's—past rock, (too!) A reception is scheduled for 7:30 p.m. followed by dinner and dancing until 11:30 p.m.

Three alumni responsible for arrangements are Thomas Manno, Bryant, 51'; Paula T. (Fasone) Iacono, '69; and Diana (Polieniti) Marro, '58.

Mr. Manno is a public accountant and owner of Tommy Manno's Orchestra. He resides in North Providence. Mrs. Iacono of Warwick is presently executive secretary of Radio Station WICE.

Mrs. Marro resides in North Scituate and presently is a housewife.

Spring Luncheon for Classes of 1913 and 1914

Bryant College's graduating classes of 1913 and 1914 plan to hold a second Spring Luncheon in the Faculty Dining Room of the University on campus. The date is Thursday, May 2, 1974, at 11:30 a.m.

Dr. Harry Exerts, President of Bryant, will greet the alumni on behalf of the College.

Vincent Vololato, Sr., of Hopkinton, Massachusetts, and President of the Class of 1913, was responsible for initiating such a luncheon last year, and it is expected that this event will be held on an annual basis. Assisting Mr. Vololato in planning these arrangements is Miss Florence M. Cummings of Warwick, Rhode Island, 1913.

There are 26 surviving members of the class of 1913, and 31 surviving members in the class of 1914.

Economics Club To Present Lecturer—Harvey O'Connor

The Bryant College Economics Club is proud to sponsor a presentation by Mr. Harvey O'Connor.

A dynamic critic of the alleged union of Big Government and Big Business is an expert on the world-wide petroleum situation.

Mr. O'Connor is a prophet in our time, having forecasted the energy crisis more than a decade before it developed.

His book, The World Crisis in Oil, was published in 1964! This presentation is open to the student body and will take place at 12 noon on Tuesday, April 30, in the Auditorium.

An open question period will follow his presentation.

Langlois Attends AERS Meeting

Dr. Gaytha A. Langlois, from the Science Department, attended the annual meeting of the Atlantic Estuarine Research Society. The meeting was held in St. Michaels, Maryland, April 16-20, and was sponsored by the Oxford Biological Laboratory and the Environmental Protection Agency.

Research papers presented at the AERS meeting included the influence of heavy metals on fish and other marine life; "Remember the role of micro-organisms in maintaining healthy marine ecosystems. Representatives from several state and federal agencies, as well as researchers from a variety of colleges and universities, participated in the conference.

The story behind Continental Airline’s controversial advertising program, “We really move our tail for you,” will be explained to Bryant students on Friday, April 26 at 12 noon in the main auditorium by Mr. Peter Katin, Marketing Research Director for Continental Airlines.

The “tail” program, and the marketing thinking leading up to it, will be presented in a film and slide presentation by Mr. Katin as part of the Marketing Club’s series of industry guest speakers. Continental Airlines serves all of the Western states up to the Mississippi and is a major carrier to Hawaii.

A native of Providence, Mr. Katin has a varied background in marketing and advertising for products such as Coca Cola and Shell Oil. He is a graduate of Boston University and received his Master’s Degree from UCLA.

All interested parties are invited to attend.

### Student Employment

**De La Salle University**

**Custodian Runner** Two part-time secretaries 7:00 a.m. to 3:00 p.m., $7.25 per hour.

**Part-time Secretary** 2:00 p.m. to 6:00 p.m., $7.25 per hour.

**Assistant Secretary 9:00 a.m. to 4:00 p.m., $7.25 per hour.

**Office Manager 2:00 p.m. to 4:00 p.m., $12.00 per hour.

**Bookkeeper** Young secretaries wanted. Will be $1.50 an hour.

**Secretarial Assistant** Radio Engineer, address: 3779 W. Fourth Ave., Seattle.

### Providence College to Present the State Ballet of Rhode Island

The Board of Governors of Providence College will present a performance of the State Ballet of Rhode Island, Tuesday, April 30, at 8:00 p.m. in Alumni Hall on the Providence College campus.

A champagne reception will follow the performance in the Conn Center adjacent to Alumni Hall. Admission will be $1.50 for students with identification. All others will be charged two dollars.

Tickets are available at the Student Affairs Office in Slavin Center or by calling 664-2211. (After 4:30 p.m. on the night of the performance.)

The Board of Governors cordially invites members of the community to this outstanding performance.

### Secretarial and Office Education Department Approved By ICS

Bryant College has been approved by the Institute for Certification of Professions, a department of the National Secretaries Association, International, to administer the Certified Professional Secretary Examination (CPS). Testing starts Thursday, May 3, 1974, and continues through 5:00 p.m., Saturday, May 5.

This approval was made possible through the efforts of Assistant Professors Blanca A. Bernstein and Eileen D. Rafferty of the Secretarial and Office Education Department at Bryant. These faculty members submitted a report of the program and available facilities at the College to ICS, thus making it possible for Bryant students and other interested parties to take the test in Rhode Island for the first time.

Formerly, all Rhode Island residents had to travel to Boston to take this test.
Is There a Speaker in the House?

by Anne-Marie Vigneau

As Speaker of the Council in the Student Senate for the past year, Fred Leonard, a sophomore psychology major, has worked hard for the student body. His work has largely been due to his efforts that the Appeal Council was established and the Student Fee was reorganized. Improvements that have been made and are being made available to students before pre-registration for the fall semester. A Dean's List student from Hoosick Falls, N.Y., Fred is also President of the Delta Mu Delta Honor Society and an active member of the Phi Mu Alpha Sinfonia fraternity. He is presently employed in the department store of his hometown.

Unfortunately, in that they don't have goals which they adhere to. People say the morals of business and politics have dwindled but I think that people just aren't following their morals and they're being wayed because of situations. I think Watergate helped to purge our society."

After graduation, Fred plans on working for two or three years as a traveling internal auditor for a large company, after which he will return to school for an MBA in Management. Eventually, he would like to work in the field of Executive Management. In existing, Fred summed up many of his feelings by saying "I think the hardest thing I've hit around the school is trying to follow the philosophy of a radical Abraham Lincoln, who said, 'It's a sin to be silent when it's your duty to protest.'"

Bryant College-North Smithfield
High School Exchange Program

by Eileen Pulaski

Methods courses have become REAL and RELEVANT! The Business Teacher Education Department at Bryant College and the Business Department at North Smithfield High School in Rhode Island have initiated an Exchange Program here on the Bryant campus.

High school typewriting students are coming to the campus to learn typewriting from the typewriting methods students once a week for approximately five weeks. These education students are team teaching, making out detailed lesson plans, and creating their own lessons just as they were student teaching. The education students feel that this is a real challenge to them and that such an experience in a methods course should parallel student teaching. Teaching high school students who ask pertinent questions is far more rewarding than teaching their own peers in the methods courses they already know. The high school students are motivated to be learning on a college campus and are exposed to the latest teaching methodology. All of this is preparatory to the education students doing their student teach shorthand under the direction of Mrs. Amelia Silva or Miss Barbara McIntosh, both Bryant College Teacher Education graduates. In addition, the shorthand methods students are working closely with Dr. Marie B. Cote, Chairman of the Secondary Education Department, in her shorthand theory review class.

In another year it is hoped that such an exchange program can be expanded to include other areas. The students who are involved in this exchange program presently are very excited and enthused. The program is under the direction of Mr. E. Larry Tedeschi, Chairman of the Business Department at North Smithfield High School and also a Bryant College Graduate; and Dr. Priscilla M. Philips, Chairperson of the Business Teacher Education Department here at Bryant.

AT THE COFFEE HOUSE WINE PRESENTS THE SPRING GATHERING Thursday, May 2 8:30 P.M. to 10:00 P.M. The Bryant Public Is WELCOME

Photo by John Shirley

MBA Highlights

by Dean Labovitz

Summer Session Registration

Registration by mail for the two 1974 MBA Summer Sessions is under way. Early registration is recommended to secure enrollment in a given class. There is only one registration period for both sessions. Classes are being offered on campus, at Raytheon in Portsmouth, and with The Navy in Newport. Two advanced electives are being offered: Communications for Management in the First Summer Session. This has been a very popular elective. A new elective in Organizational Behavior in the Second Summer Session.

MBA Associates Program

Dr. Ralph Lataille, Chief of Personnel for the Rhode Island BOC of Regents, was the feature speaker for the MBA Associates, the newly formed graduate alumni, in a well-attended meeting. He spoke on April 9 at Bryant on a recent concept in human relations, "Transaction Analysis." This was the second in a series of programs sponsored by the MBA Associates.

Graduate Faculty Member Promoted

John Burcett, who had been teaching the graduate advanced terminal course, Integrated Management Decision Making, was recently appointed President of the Industrial Capital Corporation, a wholly-owned small business investment subsidiary of Industrial National Funding.

A NEW PROGRAM

Public Administration Major

The Bryant College Curriculum Committee, taking cognizance of the broadening opportunities for challenging positions in government administration, has approved a new major which will provide the foundation for work in this ever-growing field. While programs in public administration may prepare people for work in a variety of fields—urban planning, legislative, welfare, etc.—Bryant's program aims at the management areas of government operation and will prepare its graduates for work in fiscal, personnel, and property control. Courses in public administration will cover the local level through state and administrative agencies to the Federal level.

The major, which will lead to a B.S. in B.A. degree, requires the same core program as all other B.S. in B.A. majors and requires the following distribution for the remaining ninety semester hours or study:

Public Administration 15

Donations 6

Management or Marketing 9

Math (3) Science (6) 9

English or Humanities 6

Law 6

Foreign Language or Area 12

Professional Electives 12

Liberal Arts Electives 16

Total 90

Any student currently in his sophomore or freshman year who may be interested in transferring into this program should confer with Mr. Wells, Dr. Ingham, or Dean Alberg to discuss the opportunities in this field and any problem in connection with a possible change of major.

In the future, in addition to the above, there will be a rock band, a dance group, and a spoken word group. More information concerning the date of implementing this major and those to whom it will be available will be made early in the fall semester.
Student of The Week

Once Upon A Time There Was Vivian - And Oh Boy!

Vivian Votto is that vicious vamp of cell block seven, where she is a permanent inmate kept under lock and key. But sometimes she gets loose and brother, when she does, Watch Out!

Most of Vivian's friends angrily state that she's crazy. Many have asked why she feels about this she commented, "I'm not usually reluctant about doing things, I'm open minded. Clashing off into one of her tangible tangents, she continued, "I'm talented, I'm witty, do you want to hear me singing?"

Vivian states that too many people take things too seriously. "It's bad, things get distorted. I'm bothered by people that aren't really friendly and easygoing. I'm very honest and open, and I don't like people who don't speak their minds. It's frightening."

Vivian isn't a nobody and is always straying from one place to another. She's a member of the Drama Club and will be appearing in the two upcoming productions, portraying none other than a Jewish Mother. (The casting director must have been out of his mind!)

Viv's also a sports enthusiastic, playing softball on the women's intramural team, The Blue Sox. Vivian's very interested in sports and likes football, basketball, and tennis. I wish Bryant had a football team.

A girl who's really into music, as odd as it may seem, Vivian plays the piano! Her favorite musical artists are Josh Mitchell, Bette Milder, and Paul Simon. "MMm MMm MM, Paul Simon."

Bryant needs are better activities and more concerts. Commenting further, "The Rat" is a good place to party with friends, but you can just take so much of it! Viv would like to turn to a serious note, shecommented on Bryant. "Academically it's good. Some of it is wasted, and you're required to take some things which have no significance." Vivian has good things to say about the faculty. She likes them on the whole and feels they are well educated and know what they're talking about. As for the Administration she feels that they have the students best interest at heart—but not always. She states, "I think that there's a hell of a lot of money around here that nobody's doing anything smart with. What see another place on campus where people can meet with friends to party. A lover of animals, Vivian feels that students should be able to "I have a dog here on—Dietrich—but it was strongly suggested that he be removed from the premises. I didn't want him to move because I think he liked it here." THE ARCHWAY has been informed that Dietrich is alive and well, and presently residing in Connecticut.

Technically a Law Enforcement major, "I'm between majors right now, I'm undecided." Vivian wants to work for the government after graduation. Not a cop on a beat, but something which will require traveling. Gotta move! Gotta hit the road Jack! An obvious traveler, one of her favorite places is Martha's Vineyard.

Although Vivian appears to be shocked and caretive, her convictions are deep and serious. "I didn't pledge. I just didn't think it was for me. I like to choose my friends, and not have to run ten miles to have somebody end up as part of my family." Vivian does give praise to the Greeks for providing a lot of activities for the Bryant students.

Speaking on politics, Vivian feels very strongly that Nixon should be impeached. "He shouldn't be above the law. I don't think that he should get away with what he's gotten away with so cleanly.

Viv also has her two cents to put in about women's lib. "I'm for women having equal rights and opportunities, but I'm against Women's Lib. There are some things men shouldn't do and there are some things women should do and men shouldn't do. They shouldn't play each other's part."

A many faceted woman, the only word that describes Viv is electric. One of her friends comments, "Her name is perfect for her—vivacious. She'll give you the shirt off her back. Vivian's favorite blue shirt will NOT be discussed in this article! She's bubbly when you're depressed, and she's concerned." Another friend refused to comment on her only stating, "I don't dare!"

by Paul J. Carroll

Vivian's surnames have nicknames her "Hot", a derivative describing overabundances and marvelously mad people, it aptly describes her personality. Perhaps that reason that Viv is so well liked is that she really likes other people. Her best friend TOLD THE ARCHWAY, "When I first came here, Vivian always said 'Hi' to everyone she passed and introduced me to her friends. She didn't have to do that, she doesn't have to be so friendly, but she is!"

It is a rarity to see her without a smile. She may seem crazy at times, but she is a truly unique person, willing to be open and speak her mind in a time when most people withdraw and follow along with the crowd. Well Viv, perhaps you should be looked up and maybe the key should be thrown away, but that'll never happen, cause you've got one of the greatest assets in the world. The love of us all.
Schreiber Crowned R.I. Novice Division Champion

by Lawrence B. Selvin

On Saturday, April 20, the Rhode Island Table Tennis Association sponsored the Junior and Novice divisions Annual Tournament. The tournament was held at the First Congregational Church in Providence and was represented by Howie Schreiber, Howie Dornfeld, Joe Roberts, Larry Selvin, Al Cabot, and Jim Angelil. The Smithfield Nordlings won the team section of the 18 total entrants.

There were four rounds of play with a final round to determine the title. A first-round loss would automatically place a player in the consolation tournament. Six trophies were awarded to the winners and runners-up of the Novice and Junior’s as well as the consolation champs in each division.

All of the Bryant players advanced to the second round, (the quarterfinals) except Al Cabot, who dropped three straight to eventual second place. Cabot is a top-notch table tennis player and the consolation to Jim Petranch.

The opening matches, all two out of three, had Joe Roberts stunning U.P.C.’s Tracz 2-0, Jim Angelil winning 2-1 over Larry Selvin 2-0, and Howie Dornfeld taking down Dick Mazzia 2-0. The other bracket witnessed pre-tourney favorites Schreiber and Selvin playing Dick Mazzia 2-0, Bob Merlino nipping Al Cabot 2-1, Dick Ferri toppling John Lupien 2-0, and Larry Scheer crushing Bill Hos. Jr. in two games.

The round results are as follows: the first grouping, Robeson/Dornfeld, Joe Roberts/Larry Selvin, Howie Schreiber/Tom Dornfeld over Selvin, both in two games total. The second grouping Schreiber took in two and Mazzio lost Dick Ferri in a three-game set.

Howie Dornfeld and Howie Schreiber conquered Roberts and Merlino respectively in three straight games. The All-Bryant College finals ended with Schreiber winning the championship in four exciting games. He battled with a record of 10-3 in tournament games for the day.

Selvin’s Sport Shorts

by Rich Maged

Indiana University’s football fortunes dropped a notch today, as the Hoosiers’ hopes turned even brighter than ever. The all-Big Ten star in both football, basketball, and baseball has pulled the offensive line off the grid iron this fall. U.P.: 4/19.

“Agiate,” the winner of Saturday’s Big Ten track, is the new favorite for the Kentucky Derby. The Nebraska colt is the odds-on choice at 4 to 1 to capture the Kentucky Derby’s triple crown races. U.P.: 4/22.

Sportscenter Howard Cosell has reiterated his suggestion considering running for the U.S. Senate. If he decides to run, Cosell would seek the Republican Senator James Buckley of New York in 1976. Cosell has received letters from thousands of young Americans in addition to encouragement from top Democratic figures.

The Newport News (Va.) News-Press has tipped the Naval Academy at Annapolis, Maryland. U.P.: 4/20.

The National Football League stars entered the 78-game exhibition season for 1974. It is any of them will be played. The buck is threatened strike by the Players Association. Hopefully, the NFL will dramatically curtail the schedule, leaving the summer season to the World Football League and baseball. U.P.: 4/20.

After all match play concluded, many of the top stars in the Class “A” League urged many members of the Bryant contingent to participate in their weekly Monday night league, starting next October. The Summer Table Tennis League will commence in May and run through September.

Certainly, there exist excellent signs for further progress by the Bryant College Table Tennis Team as evidenced by their impressive results. The paddlemen’s future is bright according to the results of individuals in the pressure packed tournaments.

Levine Unsets Deveraux for State Title

by Lawrence B. Selvin

Dr. Irving Levine won the 1974 Men’s Singles championship on Sunday, April 21, at the Rhode Island Table Tennis Association in Providence. Levine, now a five-time singles champion, defeated the 1972 titleholder, Jack Deveraux in four games by scores of 21-16, 17-21, 21-16, and 21-12. The new kingpin whipped George Buchholz in four games to advance to the finals and edged defending champ Ed Bunnell in four games to set up an excitingly played semi-final match.

Deveraux was seeded second and possessed the top record of the seven-month Class “A” League (85-5), victoriously battled tournament director Herbie “Doc” Lupien, in four games to gain a berth in the finals. Earlier Jack easily crushed contender Louis Florio in three consecutive games.

Raky and Deveraux teamed to capture the doubles title for the third time in four years, five-time winners Levine and Levine, with their winning spree in the finals by counts of 21-14, 21-18, and 21-16. The two defenders entered two teams in the state doubles event. Larry Ostrower and Howie Dornfeld won the other round while Bryant’s doubles champions, Howie Schreiber and Larry Selvin bowed in their first and only match.

Three of Bryant College’s table tennis team members tested their talents against many of Rhode Island’s top competitors. Howie Schreiber, Larry Selvin, and Howard Dornfeld, turned in respectable performances. Schreiber handed home the hardware for his fine efforts in the tournament.

Still falters in games two and three of his first-round match, he swept through the consolation bracket while spending Bill Frawley, Dick Ferri, and his son Dick Ferri, all in convincing style.

Howie Schreiber had the misfortune of losing to the eventual Class “C” king, Chuck Heile in the first round. Dornfeld clobbered Mike Rowal in two games in a first-round clash.

Selvin dropped his initial entry in the consolation, opposing tenth-ranked Steve Hong and proceeded to the semi’s of the consolation. He upset the seeded Bill Frawley to reach the final round. Ferri clutch in the final game of a three-game series.

NOTICES

The Sororities of Bryant College

Annual Sorority-Sorority Game on Thursday, May 2, 1974 from 3-6 p.m. in the Rathskellar.

All Greek sisters of Bryant are sure to come for a good time.

---

hoi keep ON

by Rich Maged

The Boston Red Sox are off to their best start in years. Their pitching still has yet to come around.

Carl Yastrzemski seems to have regained his leadership role as a result of his hot start. The Sox should continue to improve and win the American League East.

How about the improved Texas Rangers. They have two potential 20 game winners in Jim Bibby and Ferguson Jenkins. Texas could play 500 baseball this year.

In this writer’s opinion, Hank Aaron’s home run was overplayed. This was a relativization following the home run war was far too many. Babe Ruth is still the greatest baseball player that ever lived.

The Milwaukee Bucks appear to be unbeatable because of their four game sweep over Chicago. Jerry Sloan’s injury ruined any Bulls chances. Abdul Jabbar is far the greatest scoring machine in the game today.

How about the way the Celts handled the Knicks at Madison Square Garden. The Celts clinched the playoffs but their own performances were far too many. Babe Ruth is still the greatest baseball player that ever lived.

The New York Knicks winning days are numbered. They will lose Dave DeBusschere, Jerry Lucas, and probably Bill Bradley after this season. Willis Reed’s health may force him to retire.

C.B.S. television announces put one to sleep during an exciting Celts-Knicks game. Tune in on the local Boston or New York radio announcer for excitement. They could be the best in the business.

Brian Neeman and Jeff Zwickel’s names inadvertently left off the honorable mention all-stars last week. They both played for the Goobers.

The Pro Track circuit looked very interesting. More television exposure is necessary, perhaps the Goobers running against the professionals will make sports create fan interest. Then it is golf.

Speaking of golf, congratulations to Lew Edler for winning the Memorial Open. He is the first black to qualify for the Masters Tournament. He's due the hops that has taken place for years at Augusta. What happened to Arnold Palmer?

The World Tennis League begins in a couple of weeks. It appears to have the makings of a success. Tennis is the fastest growing sport in America.

The Philadelphia Flyers and the Chicago Black Hawks are in the NHL finals. It is possible. The Flyers are handling the Rangers and the Black Hawks are holding their own against the Bruins. Maybe this series will provide the Bruin’s a human.

Will Joe Namath retire and become a Monday night football announcer. Will he be the next to jump to the World Football League? Within three years the N.F.L. will be minus many stars. This is hurting football, The Cincinnati Bengals may be the team to watch this season. Dissection in Miami but the Dallas Cowboys are showing. It is a shame for Dennis Shula is the best coach in football.

Look for Julius Erving at the Civic Center May 18 in the N.R.A.A.B.A. all star game.

Friday April 26
