A Final Farewell to "O"

Angelo L. Corrado
Archeity Staff Writer

The Bryant Community turned out Monday night to remember a memoral service in honor of the late Omar Sharea last night. Sharea, who would have been a junior forward on the men's basketball team this winter, died of injuries suffered in an automobile accident.

The ceremony, organized by the men's basketball team and Bryant Athletic media, was open to the public and anyone who knew Sharea a chance to say good-bye.

Professional Basketball Coach Ed Reilly was one of the first speakers at the ceremony. Reilly talked about not only Shareef the basketball player, but also talked about Shareef the man.

"Omar made people around him happy, just by being there," Reilly said.

In addition, Reilly read a letter from Brian Casey, Shareef's friend from Long Island Lutheran High School.

"Long Island Lutheran and Bryant share a common bond," the letter reads. "We all shared the memories of this really special young man. Everyone loved him, and will miss him.

Reilly went on to talk more about the man he coached for two years.

"The coaching staff and I all agreed Omar would have blossomed into one of the finest athletes in the NE-10 this year," Reilly said.

"Omar was the finest, most out-of-the-ordinary young man I ever had the pleasure to deal with," Reilly concluded.

The basketball players also got a chance to say good-bye to their fellow Bulldog.

"I dedicated hard things bearable. He made us laugh, smile and feel alive," Kevin O'Brien, men's basketball co-captain said.

Jeremy O'Connor also commented on how Shareef could make everyone feel better even when he was unhappy.

"At age 19 he was a man. He was a people person. He would always stop and say, 'Hi to everyone here,' O'Connor said.

Fellow basketball player Herman Thomas read a poem he prepared for the ceremony. In the poem, you can hear how much Sharea was loved by his fellow teammates.

"I say good-bye to the man who made people laugh and live. He made us laugh, smile and feel alive," O'Brien said.

The basketball team said they had one goal left, to dedicate the season to Shareef.

"We want to come back at the end of the season and celebrate our victory," Reilly said. "We would like to close out the season - just like Omar lived his life - as a champion.

A Call to Service

Suzanne Marzone
Archeity Staff Writer

"We must work together to improve the quality of life here and then we will have a greater impact on society," stressed guest speaker Dr. Allan Bailey at Convocation 1994, on Saturday, September 14. Faculty, staff, and students came together at Convocation to devote this year to the theme of "Community and Public Service." Convocation is in recognition of a special tradition - a chance to come together and welcome one another.

President Trueheart commented in his welcome address. He especially welcomed the new students and new faculty to the Bryant family, asking for their "fresh thoughts and new perspectives."

Called "a good friend of Bryant College" by Professor Joseph Elapsed, Dr. Allan Bailey currently serves as the Dean of the School of Business at San Diego State University. Bailey is also a past President of AACS.

Bailey had many words of encouragement as he addressed the Bryant community. "Set goals and pursue them with passion," he said. "But also remember to learn from your mistakes. Failure is an opportunity to begin again more intelligently."

According to Bailey, there are five areas students today must focus on. Bailey says these five "C's" are: change, competition, customers, careers, and community. Finally, he reminded students that "college is a chance to prepare not only for a career, but also for life."

The Distinguished Faculty Award was presented to Dr. Mary Lyons, Professor of English. Lyons has taught at Bryant for the past 24 years and has served as Chair of the English Department for the past 7. Dr. Lyons was instrumental in the receiving of a $250,000 grant to Bryant last year for the new electronic classroom.

Freshmen Program Provides Avenues to Success

Julia Aracne
Archeity Staff Writer

"The Freshmen Program - a resource for incoming students," said Trish Avolio, coordinator of Learning Center.

"There needs to be a course to help students make the connection to the college level," added Avolio.

Avolio says the name itself symbolizes the philosophy behind the program. Rather than referring to "success as freshmen," it refers to "success as freshmen."

The program consists of approximately twenty staff members as well as student tutors. It is open to all students.

"The Freshmen Program was developed to meet the needs of incoming freshmen," said Avolio. The program provides a forum for incoming freshmen to talk about their experience and to learn how to make the transition to college life.

The program is organized around five areas: incoming freshmen, orientation, academics, residence life, and personal development.

"The program is designed to provide a forum for incoming freshmen to talk about their experience and to learn how to make the transition to college life," said Avolio.

Dr. Bailey addresses the Bryant Community.
Undergraduate students at Bryant College have been left to wonder how to save their university. Bryant College is currently undergoing a "re-engineering" process due to the deficit incurred in the 1993-94 fiscal year. Operating budgets have been slashed substantially and over $850,000 in cuts to capital projects and employee expenses have been made. Forums are being held to gather student input and suggestions from the community. All this in an effort to preserve Bryant's future.

Yet, these community forums lack input from a major aspect of the community—the students. At yesterday's Community Forum only a handful of students turned out. Perhaps if the students knew how deeply the future of the College and their education depends on this forum there would have been a better turnout.

This opportunity for the student body to speak out should not be passed up in this crucial "re-engineering" of the college. If students don't demand to be heard loud and clear through representation on the Resource Allocation Advisory Committee (RAAC) they will simply go unnoticed. Currently, RAAC has no representation on the student body.

Ultimately, it is the students who are going to be affected by RAAC's proposals. Doesn't it make sense to include input from student representatives if these recommendations will eventually affect students?

Students cannot afford to wait to take action. If the students don't do something, someone else will make the decisions for them. When the MAC cannot remain open until midnight, organizational budgets are cut. By RAAC's proposals, does it make sense to include budget allocations for athletic endeavors, such as softball and field hockey, club rugby, club lacrosse, field hockey, and Special Olympics?

The Resource Allocation Advisory Committee (RAAC)

The Archway Edict:

1. Archway writers' meetings take place at 2:00 p.m. on Saturdays in The Archway Office. All are welcome to attend.

2. Extra board meetings are usually Sunday before the writers' meeting in The Archway Office.

3. Photo meetings are held every Sunday at 2:00 p.m. in The Archway Office. All are welcome to attend.

4. All submissions must be received by 4:00 p.m. on the Tuesday before publication. Copy received after this may or may not be printed, depending on space limitations. Archway Office Hours are 2:00 p.m. - 4:00 p.m., Monday and Tuesday.

5. All written material must be saved on a 3.5" disk in an acceptable format and include the writer's name and telephone number. Contact The Archway office for compatible formats. The Archway is not responsible for submitted disks left at The Archway.

6. Advertisements are due no later than 5:00 p.m. on the Tuesday before publication. Data sheets can be obtained from The Archway Ad Department at 532-6028.

7. Letters to the Editor must be signed and include the writer's name, school, and phone number. Letters may be withheld upon request.

8. Advertising may be obtained by contacting The Archway office during normal business hours.
Changes At Residence Life

Erica Hands
Archway Staff Writer

The Bryant College residence life department has three new resident directors for the academic year 1994-1995. They reside in residence halls 14, 15, and 16.

Lori Harris, who hails from Coventry, Rhode Island is the new director in freshmen hall 15. Lori is a graduate of Rhode Island College where she was a communications major and a resident assistant for three years. Lori served as the community volunteer director for the American Diabetes Association. She coordinated various other activities in the state of Rhode Island including youth services, public awareness, and minority initiative in Providence. Lori says she is very excited about Bryan’s Convocation theme community service and corporate social responsibility.

In Lori’s free time she enjoys going to the theater and volunteering at the Providence Performing Arts Center. She also enjoys hiking, walking, and listening to music.

In the other freshmen hall 14, Kevin Hear is the new resident director. Kevin, who hails from Syracus, New York is a graduate of Lehigh University where he was a pre-law major.

He enjoys the outdoors, skiing, hiking and all sports. Kevin has been in residence life at three other liberal arts schools before coming to Bryant. When asked what his view on Bryant is Kevin responded, “I am really looking forward to helping build a sense of community and appreciation for diversity as well as promoting respect for others.

In her free time, Shelley enjoys walking, hiking, and especially reading.

Electronic Classroom Up and Running

Katrina Plunkett
Archway Staff Writer

For those students wondering what all the banging and clanging from area rooms was last semester, the verdict is out. Bryant College has implemented a 40 station electronic classroom located on the second floor of the unstructured designed for teaching computer related applications and to enhance the effectiveness and efficiency of the learning and teaching process.

The computers are capable of handling DOS / Windows operations and Macintosh applications, as well as functioning as a part of the information super highway. Multi media capabilities add to the facilities of the room.

Students have more choice with text and graphics combined. Each station is equipped with a monitor, keyboard and mouse, and is set up in a series of long tables. The tables are ergonomic to simulate a desk reading atmosphere and can serve as both a lecture and hands on lab in one. This way teachers can see the students while helping them with the computer and vice versa.

Only high density disks are allowed for use in the room, and disks must be kept there over night.

This room was made possible by two professors that put their innovative minds into this project, Dr. Patricia O’Flaherty and Dr. Susan Sacrist and by the mayor of the City of Smithfield, Andrew slamming the door to Bryant.

Bryant College’s New Resident Directors, from left to right, Shelly Masson, Kevin Hearm, and Lori Harris.
Fire Inspections Announced

John Ranigan
Fire & Safety Coordinator

John Ranigan, Fire & Safety Coordinator, will begin fire and safety inspection for all Residence Halls and Townhouses on Tuesday September 20.

Ranigan will be looking for illegal appliances, extension cords, extra furniture or anything else in violation of the fire and safety codes cited in the student handbook.

Any violation will be cited and a follow-up inspection will take place in the week to ensure that the violation has been taken care of.

Illegal appliances and/or extension cords will be confiscated on the spot. Students will receive a receipt that will allow them to pick up the item prior to going home. Any resident of room in violation after the second time will face disciplinary action. Additional unannounced inspection will be conducted randomly throughout the academic year.

"Fire and Safety violations of college policy endangers the lives of everyone," Cooperation in this matter is importance to ensure the safety of all.

The fire safety inspection schedule is listed below:

- Tues., September 27: Resident Halls 13, 12, 11, 10:00 a.m.-3:00 p.m.
- Wed., September 28: Resident Hall 1, 2, 3, 10:00 a.m.-3:00 p.m.
- Thur., September 29: Resident Hall 16, 10:00 a.m.-3:00 p.m.
- Tues. October 4: Resident Hall 14, 10:00 a.m.-3:00 p.m.
- Wed. October 5: Resident Hall 15, 10:00 a.m.-3:00 p.m.
- Thur. October 6: Resident Hall 4, 5, 10:00 a.m.-3:00 p.m.
- Tues. October 12: Townhouse Village 10:00 a.m.-3:00 p.m.
- Wed. October 13: Senior Apartments 10:00 a.m.-3:00 p.m.
- Fridays will also be used for inspections that are not completed on the normal day assigned.

- Wed. October 13: Senior Apartments 10:00 a.m.-3:00 p.m.
- Fridays will also be used for inspections that are not completed on the normal day assigned. Also rechecks for violation founded on the initial inspections will be done on this day.

Bryant One Card Update

William Baker
Director of Purchasing

The new Card Value Centers (CVCs) have been installed and are awaiting the software which will interface with the CBORD Dining Service Access System. Danylok, the equipment manufacturer, has advised us that the software will be shipped approximately September 30. Allowing for transportation and installation we plan to have the CVCs on line by October 7, 1994.

To obtain or activate the One Card, stop by Public Safety between the hours of 9:00 a.m.-1:00 p.m. and 2:00 p.m.-3:30 p.m., Monday - Friday beginning September 28. There will be no charge for the One Card. However, you will be required to exchange your current ID card for the new one.

Once the CVCs are operational, your One Card has been activated in Public Safety, anyone having a One Card will be able to transfer points from the "8" magnetic stripe to the 1/8" debit stripe. Cardholders can then activate the laundry equipment by inserting their One Card into the reader. The card readers for the Coca Cola machines should be installed the week of October 7.

Both Automatic Laundry and Coca Cola have made significant investments to allow the use of the One Card in their equipment. Therefore, in the event of damage to the laundry or vending equipment, repair or replacement costs will be charged against the Residence Hall damage deposits. Please note: Notify the ARA office immediately if you lose your One Card. The replacement cost for a lost card is $10.00.

Change In The Salmonsno Dining Hall Smoking Policy

by Paula Hogan

Currently, there is federal legislation under consideration which would require building owners to implement a smoking ban for public facilities that are regularly entered by 10 or more people. It would permit smoking only in separately ventilated rooms to insure the air from the area is exhausted outside. In light of this legislation, the College is reevaluating the smoking policy on campus.

With the recent renovations in the Salmonsno Dining Hall, there is no longer a separate area that can be designated as a smoking area. Due to the dangers of secondhand smoke, a decision has been made to implement a no smoking policy in Salmonsno Dining Hall effective with the re-opening of the facility.

Interested? Stop by the office, we are on the top floor of the MAC, or you can give us a call at 232-6028.
What's Happening At BRYCOL?

by Jennifer Barrie

There are some changes at BRYCOL this semester. The employees smile a little more. The general managers walk a little prouder. The office runs a little smoother. The board is even more approachable. All of this is part of the important changes we have made in the structure and other areas of BRYCOL Student Services, Inc. The following is an update on the divisions of BRYCOL.

Bryocol, Inc.—Currently, our office manager, Pamela, is available at the house Monday-Friday, 3-5 p.m. to answer questions about BRYCOL or any of its entities. Her phone number is 231-1220.

By restructuring the board more people were added into the organization. The chairperson, CEO is James Smith. Our vice-president, COO is Christopher Candido. The treasurer, CFO is Jennifer Lorence. Serving as secretary is Jean Matheney. The board of directors were promoted to their new positions as members of the board of trustees.

The position of director still exists, but it is re-developed. The new position allows individuals the chance to get involved with BRYCOL without having all the responsibilities of a Trustee.

Celebrations—The on-campus delivery schedule begins to serve all your special occasion needs. We have balloons, cakes, flowers, etc. If you need food delivered to Toppers or the Comfort accommodations can be made. We deliver Monday-Friday to residence halls, townhouses and offices.

Comfort—The new interim general manager for the Comfort is Paul Wrobel. Most of the Comfort nights were booked last week at the Lottery for all campus clubs and organizations. Call the BRYCOL house if you have questions concerning Comfort nights. New specials are coming out every week so just check our flyers hanging on townhouses or in the Unistructure.

Toppers—A new layout was designed at Toppers to cut down the time it takes to service customers. Toppers will also continue to take preorders. Questions or suggestions can be directed to General Manager Doug LeBlanc.

Vending—Thank you for our exclusive contract with Coca-Cola we are happy to present our new soda vending machines equipped with ID trackers. When the new BRYCOL ID card comes out, sodas can be purchased using the card. These machines are located in all the residence halls and will also take cash. In the past, there was a lot of vandalism to our machines. This will not be tolerated. Repeat damage to any machines will result in the removal of the machines from the building.

Informant—The Informant is the ultimate in student's guide on numbers to know, teacher's offices, sport schedules, and all your friend's number's and addresses. This year's Informant team is headed by Kathy Kresson, who assures us the Informant will be out Parent's Weekend, Oct. 14-16. Look for change slips coming out soon if you need to change any information regarding your address and phone numbers.

Any questions, comments, etc. can be directed to BRYCOL Student Services, Inc. Box 9, 231-1220.

Spiritual offerings at Bryant College

The chaplains who serve the Bryant Community are eager to inform you of spiritual and social events available to all members of the College family.

The Bryant College Campus Ministry Offices are located In the Student Affairs Complex on the second level of the Unistructure. Catholic, Protestant, and Jewish chaplains are available to all members of the College community as sources of support, guidance, and spiritual development and integration. The campus chaplains are also available to sponsor or organize programs and discussions sponsored by faculty, resident assistant, campus groups/ clubs, and individual students.

Jewish Campus Ministry
Rabbi Lawrence M. Silverman, D.H.L.
Jewish Chaplain
Location: Student Affairs Complex
Campus Ministry/Counseling Services Telephone: 232-619/232-6045
Office Hours: The Rabbi is present on campus every Wednesday.

HILLEL: This Jewish student organization offers services (e.g. Hanukkah festivities, Passover Seder, etc.) to help meet the needs of resident Jewish student.
Advisors: Rabbi Lawrence Silverman/Professor Alan Olinsky
President: Michelle Nathan

Catholic Campus Ministry
The Reverend Douglas J. Spina, Ph.D.
Deacon Robert P. Troia
Catholic Chaplains
Location: Student Affairs Complex
Counseling Services Telephone: 232-619/232-6045
Office Hours: The Reverend Philip Devens, M.Div.
Protestant Campus Ministry
The Reverend Philip Devens, M.Div.
Protestant Chaplain
Location: Student Affairs Complex
Campus Ministry/Counseling Services Telephone: 232-619/232-6045
Office Hours: The Protestant Campus Ministry is present on campus every Monday & Wednesday.

What about OJ's DNA?

Like the fingerprints that came into use by detectives and police labs during the 1930's, each person has a unique set of DNA fingerprints. Unlike conventional fingerprints, DNA fingerprints can be determined for any cell, organ, or tissue in the body and cannot be altered. Although used in hundreds of cases since 1986, involving such notables as Mike Tyson and Sylvester Stallone, DNA fingerprints have become famous only with the ongoing murder trial of Mr. O.J. Simpson.

Imagine covering stories in Time and Newsweek and frequent stories in The Providence Journal and other newspapers about Dr. DNA's favorite subject! Deoxyribonucleic Acids in the public spotlight, delightful!

Simply put, DNA fingerprinting (sometimes also called DNA profiling) is a quick look at the sequence of nucleotides from a particular stretch of a person's DNA. For those who avoided SCI 251 or SCI 556, nucleotides are the units that compose a DNA chain, abbreviated A, C, G, and T. It takes over 3 billion A's, C's, G's, and T's to specify the genetics of one human, and there are many regions of DNA whose sequence is unique to that single person.

Stop by our Campus Ministry Offices. We will be happy to see you!

For recovering H.O. fans, a look at the loved ones who grew up in the white blood cells of course! In OJ's case, both hair roots and blood were recovered at the crime scene. Blood is a gold mine of DNA from the white blood cells of course! In OJ's case, both hair roots and blood were recovered at the crime scene. Blood is a gold mine of DNA from the white blood cells of course! In OJ's case, both hair roots and blood were recovered at the crime scene.
Ah, the start of another year of college. I especially look forward to the first few days, when I can ride in carriages that have wandered over the summer, prepare myself for hard work pursuant to education after several months of wretched excess, and eat three square meals a day, not just one. My dining hall timetable? Naturally, I was very interested in seeing what they'd done with the place over the summer after reading the article in the Archway. I had no idea there were plans to redecorate, and I must say I was probably shocked, as I descended the refurbished staircase for the first time.

At first, I thought the place looked great. It was novel, and there seemed to be an agreeable atmosphere to the place. First impressions can be deceiving, though, and I found that out soon enough. A combination of incredible noise and ambient odor about 95% management quickly ruined my favorable reaction to the setup of the kitchen area. I was also surprised to realize that it had taken a mere six minutes from the time of opening for the dining room to get up to the top of the staircase.

As I made my way through the tables, the airy eating area is crowded and uncomfortable. The aisles between the tables are ridiculously narrow, thus making it difficult for two people carrying trays to pass each other without one turning sideways and holding their tray over the head of whomever is seated at the end of the table. After eating, I went to put my tray away only to discover the old conveyor belt had been removed, and there was somehow some sort of tray removal system, the likes of which could probably be seen by watching any old episode of the Jetson's.

I think the Archway's sense of crowding management seems to be a direct result of the shape. It seems as though the designers were simply aiming to make things as small and not-thinkable as the multitudes of people who would be eating in the cafeteria. Also, after questioning a member of the ARA staff, I was told that no DNA is sequenced here, either, and for long as the days when we all waited in a relatively short line, and we didn't have to walk in our "Grill" line and then the "Deli" line in order to be able to get a ham and cheese with fries.

One viable option I feel that can relieve the overcrowdedness has it is to open up the line and reopen the South Dining Hall for meal plans, and not just have it take points, as it does at lunch. I really liked the simplicity of the old system, and question why it was necessary for this expensive change. I think it was the adage goes, "If it ain't broke, don't fix it." Or perhaps it is as my friend put it. She thought they should have spent the money on better food.

Join The Craze

by John D. Laurence

What do the following words mean to you? The Enquirer, Hitchhiker, Down and Dirty, Walk the Line, Clog and the Push. Chances are you don't have a single idea what they mean when used today. Well, now you have your chance to learn.

Country Line Dancing is the latest craze to hit our area and it offers something different to do on a night out. You may say you hate country music, but have you listened to it lately? It is no longer a bunch of twangy songs about losing pickup trucks. Now it is about love and parties and having a good time. Many songs are also crossing barriers into different music genres. Ask yourself these questions...

Do you want to just go out by yourself and have a great time? Do you want to get your exercise done without joining a club or even realize you are exercising? If you answered yes, well keep reading.

I am in the process of forming a line dance class on campus free of charge. Right now I am thinking of offering a total of five classes on Saturday mornings in October. After these classes, you could walk into my club and know exactly what to do. This will save you some embarrassment as you try to learn the dances. If you are interested, write more information to me at Box C-4063 or call 726-5966. Keep looking for more information.

Looking for something different to do this WEEKEND!

What do you think of the “new” Salmanson?

"It looks nice, but it's very inefficient. We should be allowed to eat at South like we used to - that would alleviate some of the overcrowding.”

-Herman Thomas '97
-Jerry O'Connor '97
-Gino Peckham '97

"It looks nice, but it's a lot more crowded and you have to wait a lot longer."

-Kari Nemeth '97

"It's very disorganized. The lines are long and no one knows where to go or what to do. It would help if we could go to South."

-Laure Ripepi '97
-Wendy Halgren '97

"It's nice compared to my high school cafeteria, but the lines are definitely too long."

-John Feigenbaum '98

"I don't like the new look. I miss my table in the corner!"

-Josh Lyons '97

"It looks nice, but we hate long lines."

-Ryan Seinmetz '97
-Greg Federico '97

Freshman Candidates

Tamer Ahmed

Greetings to all my fellow members of the class of 1998. My name is Tamer Ahmed and I would like to represent your ideas in the Student Senate. To understand what the Senate is all about, one must first understand the Student Senate's purpose. The Senate governs the student body and makes crucial decisions in appropriating funds to the various student organizations that we participate in at Bryant College.

Although some of us did serve in student government in high school, I feel those experiences will only partially prepare us for what lies ahead in terms of redefining your ideas to the other members of the Senate. The difference between my high school student government and the one here is substantial. Gone are the days when the student government's main issue was the need for new textbooks. They have been replaced by real and pressing problems that the Senate tries to resolve. Only by experience can we accomplish our goals and achieve our objectives in our attempts to better ourselves in life. Therefore, I would appreciate your vote on September 26 and 27.

Sean Kenny

Hello my name is SEAN KENNY from Pearl River, New York. I am running for Student Senate class of 98 position. I feel that I am able to do a good job due to past experience in school government.

In the past I have had many positions in various different organizations. There has been the presidency of the school wide student government, vice presidency of the class, management in a local supermarket, and captain of the varsity basketball team. As shown in my past experience I have the determination and the personality to represent the class of 98 as one of your student senators.

One thing that I would like to get accomplished is to put dollar changes in the laundry rooms of Hall 14 & 15. The most important thing that I have to say is that if given the chance to be your student senator, my door is always open and you can approach me anytime. I am here for you. Soon I will remember your vote for SENATE.

Jason Ranillo

Hello class of 98! My name is Jason Ranillo and I am running for Student Senate. I am a graduate of Bishop Hendricken High School which is located in Warwick, Rhode Island. At Bishop Hendricken, I participated in many activities, such as track and field and peer ministry.

I am from Johnston, Rhode Island and currently reside in freshman hall 14. In my eighteen years of living in Johnston, I helped the community in many ways. I was Vice-Chairman of the Young Democrats of Johnston and a religious education teacher.

If I am elected to serve I promise to give 110% effort at all times. I want to help make the Bryant community the best place it could be. A vote for Jay Ranillo will insure a strong voice in the Student Senate for every freshman. Remember vote for me, Jay Ranillo, the voice we need.

Josie Santos

For those of you who do not know me, my name is Jose Santos and I am running for Student Senate. First let me begin by telling you a little bit about myself. I graduated from Belchertown High School, in Belchertown, Massachusetts. Belchertown High is a small school with a total of 450 students. During my tenure at Belchertown, I was class president for all four years along with being captain of the varsity soccer team. As class president, I raised on average $5,000 each year for a total of $24,000, the highest amount of money raised at Belchertown.

Not only was I class president but I also was a delegate for the Western Massachusetts Student Association of Student Councils. This position put me on the Executive Board for all Student Councils in Western Massachusetts. Other organizations that I was involved with throughout high school are as follows: Rainforest Action Committee, SADD, Student Council, Adams Society, Model Congress, Model United Nations, Newspaper, and Student Advisory Council.

If elected as one of your Student Senate Representatives, my most important goal will be to do all I can to make the freshman class as energetic as possible for everyone. I am very aware of the diversity amongst the four classes and I will work hard to understand the needs of the incoming freshmen. I will do whatever I can to help you with whatever you need.

If elected, I would be your student representative. As your student representative, I am here for you. If you have an idea or problem, whether it be personal or social, you can come to me at any time. As the class of 98, we must learn to work together. Because it's only by working together that we make this wonderful place we call Bryant College.

I would now like to take this opportunity to wish all the other candidates good luck. Remember vote for Jose Santos as your Student Senate Representative.

Adam Novak

Hello, my name is Adam Novak and I am running for Bryant College Student Senate. I would like to tell you why I feel I deserve to represent the class of 98.

Ever since I could remember, I have been a leader. From organizing a pickup game of stickball in sixth grade to organizing our homecoming fair in high school, I have always donated my best and put my heart into everything. I was a class senator for sixths to twelfth grade. I was a player on the varsity tennis team for four years and won two coach's awards for team leadership. I was an award-winning speaker and debater. I was elected public relations secretary of the Long Branch chapter of D.E.C.A. and went to the state finals in three events.

I have the experience to successfully represent the freshman class and the entire school. I have the drive and ambition needed to get things done. I am strong willed and will fight for what I believe in. Also listen to reason and will compromise when need be. The Freshman Class needs a strong say in this school! Let me be your voice!

Charles Roth

My name is Charles Roth, from New York City. I am an Actuarial Science major. I would like to represent our freshman class, as a member of the Student Senate.

During high school, I was a member of many student activities. Through my experiences in high school, I learned how to work as a team member, through sports, and also learned how to go off my own and take on obstacles that others would not face, by being a member of Student Life.

If elected to the Student Senate, I will try to work with all the issues brought forth to the Senate, with the best interest of the student body in mind. I believe the needs of all individuals must be answered and you will elect six members to represent you and your peers. These representatives are going to be the members of the student body who will attempt to get your needs and questions answered, so select them carefully. Vote for the group of candidates that you feel will represent the student body with the intent to better student life, here at Bryant. Hopefully, I have had a positive effect on you and your opinion of me, Charles Roth. I would be honored to be included into the selected group of Freshman Senators, but it is your choice. The choice is in yours, the freshmen of Bryant, whether or not to include me in the Student Senate. Make the correct choice. Vote for Charles Roth.

Scott Taylor

Dear classmates of the class of 1998, My name is Scott Taylor and I am a graduate from Rockville High School in Vernon, CT. Welcome to Bryant College. Anticipate the first week here has been adventurous adjusting to the new freedoms and opportunities that Bryant has to offer. Now being a student here at Bryant strong leaders are needed to create growing opportunities for the next four years. I would embrace the chance to become one of these leaders. I, Scott Taylor, would like to serve as your Senator to represent the class of 1998.

My leadership abilities through the years came about through participation in organizations such as Economics club, yearbook, and Deans' forum. In these and other organizations such as Economics club, yearbook, and Deans' forum, I have learned a lot about teamwork and how to work with people to achieve goals. I believe these abilities will help me to serve as a leader for you.

I would like to promise you that I will be a strong leader for you and the freshmen class of 1998. I will also be a leader for you that is available at all times. I will support you at any time.

VOTE FOR SCOTT TAYLOR. I am interested in all of my classmates and will guide the class in the right direction. VOTE FOR SCOTT TAYLOR ON SEPTEMBER 26 OR 27 IN THE ROTUNDA.
Going Bananas?

Are you the type of person who wants to develop leadership skills?
Are you the type of person who believes there is a sensible approach to the use of alcohol?

If you can answer yes to these questions, then your services are valued at the campus and can be best utilized as a member of the Bryant APES.

APES is an acronym for Alcohol Peer Educators. They provide educational programs to the student body concerning alcohol and other important health issues that affect the campus. We are having our summer training session this Sunday evening and we hope to see you then. If you are interested in joining us, please contact Vertis Harridge at extension 6970. She is the Bryant College Health Educator, and can be found at Health Services in the lobby of Hall 16.

BACCHUS

by YoA Chang & Scott Lynch

Welcome back everybody! Hope you all had a great summer. We had our first meeting of the year on Tuesday and discussed many different programming ideas. The Dixon's will be opening again this Friday, September 23 at 8:00 p.m. We also discussed the possibility of raising funds to be held in a few weeks, as well as information on the national convention which starts from November 11 to the 13.

We have started something new this year called Discount Cards. For a price of $3, students can buy the card and use it for discounts at many and various businesses. Interested in the program are Gold's Gym, McDonald's, Rainbow Foods, etc.

If you were unable to attend this past meeting, don't worry. Our next meeting will be on Tuesday, October 4 at 7:45 p.m. in Room 1 in the Bryant Center. See you there!

Beta Theta Pi

by David Tenkofsky

I would first like to welcome everyone back! This is Diversity Week and I would like to mention some of the events.

Bowling Club

by Jon Hester

On behalf of the bowling club I would like to welcome everyone back and thank everyone that participated in Diversity Week. Everyone is looking forward to a successful and productive year. The club has set a goal of 250 members this year. First and foremost is a return to National Championships. Let's do this together and turn St. Louis into a winning experience.

Mandatory practices will be held on Tuesdays and Thursdays in the Spanish Basin Bowl. If you have a late class don't worry about it, you are still a valuable member of the team. Practices will be Thursday and Friday afternoons at varying locations. It is advisable to make at least one of these informational practices every week.

If anyone needs new equipment, Coach John Holmes runs the pro shop at Dart Bowl. Just tell him, and he'll do his best. We'd like to welcome Tom Curley, Jason Philbrick, and Dan Farm to the club this year. Competitions begin in two weeks at Allentown, PA, and the conference begins Columbus Day Weekend.

Lastly everyone needs to con

Bryant Karate Club

by Mark Towe

Welcome back to our karate members. Bryant Karate has been alive and kicking during the summer months. Currently participate in several tournaments. Unfortunately, the tournament season is coming to an end. However, by January we should have just begun and there was an excellent turnout for the informational meeting and several newcomers. So, come one, come all and join the club. We are happy to help everyone grow and get better.

The club has moved to the floor; I'm ushing everyone to go in and check us out. We are looking for members and new leaders for the karate club. If you have any questions or concerns, please feel free to visit D-Chi at townhouse-B-E-1 or at the 2nd floor of the Learning Center.

Bryant Karate Club will be holding an informational meeting on Monday, September 12 at 7:30 p.m. in the Learning Center, room 2. If you have any questions or concerns please feel free to visit D-Chi at townhouse-B-E-1 or at the 2nd floor of the Learning Center.

College Republicans

by Paul V. List

Hello Everyone! The recent primaries here in the state of Rhode Island have left many Republicans concerned for the Republican party. Lincoln Almond won a decisive victory, and will no doubt be the next Governor of the state. All of those out there who are interested in getting involved in the campaign should feel free to contact Mike Walsh, Mike has also been appointed to the state commission. Walsh has been a key player in the commission.

HilC

by Susan K. Conners

The History and International Studies Club had its first meeting of the semester this past Tuesday, September 20. It was an informational meeting, where the topic of discussion was "What do I need in order to declare a major in History or International Studies?" The Director of Undergraduate Programs, Dr. John Powers, explained the administrative procedures for majoring in History and international studies. The next HISC meeting will be on Tuesday, September 27 at 7:30 p.m. in the Bryant Center, room 1A. At this meeting, the topic of discussion will be "What do I need in order to declare a History or Political Science major?"

Students will be able to ask questions and receive information about the study abroad program from students who have recently returned from studying abroad.

All students are welcome to attend.

Learning Center

by Chris Branch

The academic curriculum here at Bryant is a demanding one. The classes of this semester present a lot of challenges

Panhellenic Council

by Karen Biston

Welcome back! I hope everyone is excited about the upcoming year. The Panhellenic Council will be holding their first meeting of the year on Monday, September 19 at 7:00 p.m. in the Learning Center. We will be discussing our upcoming events and plans for the semester. I hope everyone will be able to attend.

Phi Kappa Sigma

by Jason Madson

Hello everyone and welcome back to the Phi Kappa Sigma Homecoming. This is my first Campus Scene article. Welcome back to the Bryant College family. I hope everyone has a great time here at Bryant College.

For those who do not know us, our colors are blue and gold. We offer many opportunities and incentives to help you get the most out of your college experience. We live on the third floor of Hall 1 and in townhouse G2. I hope everyone has a great year here at Bryant College.

This weekend was fantastic. We had a great time with Delta Zeta on Friday evening.

We will be putting together a football team and anyone who is interested is welcome to play. Not sure if you missed it, Monday night was the first annual Phil Dickey Basketball Tournament. Publicist named Chef "I'm sure the townie won't mind," especially after they fell for the old "66-2" line last week. We also welcome KT to the wonderful world that is Hall 1. Shaggy is sleepy and will be going in the wrong direction to meet the year's pet wonder will have more room.

Now it is time for me to conclude this article, there are so many groups here at Salamonie that are incredibly inefficient. Monday night I went to dinner and by the time I got back to the room, they were serving breakfast. There is no place to sit either.

Well that is enough from me, so everyone have a great semester and here's to the wild kingdom.

S.A.M

by Jen Baranowski

The Society for Advancement of Management welcomes all S.A.M. members back to school. We are looking forward to a new year of exciting and challenging opportunities.

The Society for Advancement of Management is preparing for the first meeting of the year. Why should you look forward to the first meeting and become a S.A.M. Member? It is because S.A.M.

Gives you a personal introduction to practicing management in a local community.

Exposes you to the most successful management techniques in current use.

Introduces: textbooks theories into practical applications.

Bases: the transition from college to the professional world.

Strengthens: your resume with professional credentials.

Moves: your career on a faster track.

SAM is the world's largest management student organization on all over the United States and internationally as well. SAM invites all interested students to attend the first meeting and become a member of the many opportunities offered.

Our first meeting is October 4 at 7:00 p.m. in 6220 Belay Room 2A on the second floor of the Bryant Center. So, come build your resume. Learn about real-world business concepts with our guest speaker. beginner networking. The Executive Board looks forward to meeting new members of S.A.M and receiving new members.

Student Academic Union

by Dawn Drucker

Hi Everyone! Welcome to the Student Academic Union. We would like to thank everyone who attended our first meeting last Thursday. It was a great turnout. Once again, thanks to all who helped out with the Fundraising Banquet and the first meeting.

For those of you who were unable to make the meeting, here are some of the programs that we discussed.

Welcome to all of Bryant's new students. Hopefully, you already feel right at home! The Bryant Players are gearing up for another fun and exciting year. As the drama club on campus, we pride ourselves in providing the Bryant community quality entertainment while having fun in the process. If you missed our first meeting, we met again on September 27 at 5:00 p.m. in Meeting Room 2A of the Bryant Center. All are invited and more than welcome to come and see what our organization is all about!

Don't forget about our upcoming Parents' Weekend production, the appropriately titled "Roomers." Rehearsals start Monday! Thanks go out to all who auditioned. We appreciate your time and effort. That's it for this week! Until next time.

Overheard: "What script?"

 Theta Phi Alpha by Janna Erickson

Hey Theta! Hello everyone, it's that time again. I would like to welcome everyone back and I would also like to welcome all of the freshmen. One week down and many more to go! Besides planning for formal rush, we've had some other interesting events. First off, we would like to thank DKE for Friday night and also give Mama complete recognition for his fabulous choice of music. We would also like to thank Phi Kegs. As for last evening, Monday night football was a blast, and we'd like to thank Delta for the festivities.

Before we end with some quotes of the week, we'd like to say that we hope everyone who signed up for formal rush has a great time and we look forward to meeting you all!

And now for some quotes:

"One singular sensation. ";"You're a liar... suite cleaner? GM. Acca... break it down.;" To Dobber, just leave our shelf alone. Thanks for fixing our speakers.; All I can say is, monk, wait till you see the pictures.; Janna and Deb found something important that was once lost.; Shannon-

"He's got sneaky hair!"

Well I guess that's all for now, until next week. Later Theta!

Women's Rugby by Sarah Dayfe

Hey everyone! Welcome back. I hope everyone has a great summer. It is great to see everyone again. Congratulations, to all the new members. Everyone is doing a great job at practice. Keep it up girls! I hope all the rookies and the Men's Rugby team had fun hanging out with us last Thursday.

Anyone else who is interested in playing Rugby, practice is everyday at 3:30 in the fields down behind A.R.A. Our first game will be Saturday, September 24 against Bridgewater and we will be traveling there. Good Luck Ruggers!

AT&T Universal MasterCard.
The credit, cash and calling card. All in one.

The AT&T Universal MasterCard. No annual fee—ever. Access to cash at over 350,000 locations. Plus an AT&T calling card. Because life should be contemplated. Not complicated.

Freshman of the Week: Suannah Bonnafond, Saint Anselm (Manchester, MD)

Omar Shareef #15

On Deck

Angelo L. Corrado

Archway Sports Writer

We Will Never Forget You

Over the summer, the Bryant community suffered a great loss. Omar Shareef, a forward on the men's basketball team, died as a result of injuries he suffered in a car accident in August.

However, Bryant did not lose a basketball player, they also lost a friend. Shareef, more affectionately known as 'O', was a constant spark off the bench, and an important part of the basketball program here at Bryant.

Most of the fans can remember his freshman year, a game against Rhode Island College where a virtually unknown player scored over the crowd and slammed the ball through the rim. How about last year's game against Bentley, when O came flying down court and blocked a shot into the next county. But, there was more to the man than just his basketball talents.

If you ever met O, you could not help but like him. He always had time to talk. Even if he did not know you, he would always stop you to say hi.

This is what made his memorial service even more special. As people got up to speak, you could feel the love they had for Omar. In fact, you could also feel the love Omar had for the people he knew. As Jeremy O'Connor said, "He was a person people talked about. Coach Ed Kelly also had a lot of praise for the young man, "Everyone he touched, he made better. Everyone he touched, he moved." Team members also spoke about how much O meant to them. Herman Thomas wrote a poem for the ceremony, which made a few people misty-eyed.

Although I did not know Omar as much as others on campus, I was also moved by this speech. I remember back to the day when I received the phone call from Margaret Pleitczuk, telling me about Omar's death. I just put the phone down, sat there staring into space. I could not believe Omar was dead. At first, I thought it was some kind of bad dream. I would wake up and everything will be okay," I said to myself.

Then I got over the shock of the news, my thoughts were with his fellow basketball players, and Omar's family. Unfortunately, I could not make the funeral. However, I still wanted the family to know how much they would miss him. I just simply sent them a card, from myself, and my fellow Archway staff members.

After the memorial service, however, I felt I needed to do more. As a result, I started writing this column. Although I have written columns about men who left a void when they passed on (like Jim Valvano and Arthur Ashe), this one was different. I knew O personally. O was more than just a basketball player, he was also a top student. He received awards for excellence in the National Science and Mathematical Olympiads.

He had a unique outlook on life, and loved to just be around people. Even with a busy schedule, Omar always had the time to talk to just about anyone. If you wanted to talk about basketball, Omar was there. If you wanted to talk about life, Omar was there. No one was beneath him, he would talk to anyone.

Even if it was just a fan saying, "Great game Omar." He would still stop to thank them. He never ignored anyone.

It is definitely going to be hard the first few games to realign, number 15 is not on the bench. Someone body might step up to take his place on the court, but no one can fill his shoes.

Everyone will always remember Omar, he will always be one of the original Bryant Bulldogs.

1st Annual Homecoming Weekend

Women's Volleyball Off To Good Start

Angelo L. Corradino
Archway Sports Writer

The women's volleyball team started their 1994 campaign by finishing second in the 11th Annual Bryant Invitational last weekend. The Bulldogs are currently 2-0 in the Northeast-10 (NE-10) Conference and are sitting in first place. Overall the team is 7-1.

"There is nothing negative, everything we are doing is positive," co-captain Maria Bras said. "(However) we still need to click as a team," Bras added.

On Tuesday night, the team traveled to Sacred Heart and came away with a win three games to one.

In the first match of the Bryant Invitational, the Bulldogs defeated UMass Lowell in four games. In game one, Bryant started slow, but was able to bounce back to win 16-14. The Bulldogs won game two easily 15-4, however, Lowell was able to regroup and win 15-10. In the final game, Bryant was able to shut down their opponent and come away with a 15-7 win.

The Bulldogs bounced back to win game three 15-9.

The see-saw match then continued with Dowling winning game four 15-15. In the final game, Bryant once again came away with a victory 15-12 (rally scoring).

This advanced Bryant into the semi-finals against NE-10 rival Quinnipiac College, from Hamden, Connecticut. In another five game marathon, Bryant went in and out but came away with a win. In game one, Bryant started slow and lost the game 7-15. Bryant then regrouped and won game two 15-4, and game three 15-6. Quinnipiac was able to win game four 13-13 to force a decisive game five.

The Bulldogs were once again able to outlast their opponent 15-11 (rally scoring).

In the finals, Bryant faced NE-10 rival Bentley and were routed in three games. In game one, Bryant was able to keep the game close; however, Bentley won 15-10. Bentley then went on to win game two 15-8 and game three 15-10 to capture the tournament crown.

Freshman Jen Carvalho, from East Providence, Rhode Island was the lone Bryant representative on the All-Tourney team. For her efforts, she was also named NE-10 Freshman of the Week for the second straight week. Carvalho has collected the 164 assists in 17 games (9.65 per game), last week.

Men's Soccer Kicks Off Season

Randy Leste
Archway Sports Writer

The Men's Varsity Soccer team started their '94 season on Saturday, September 10 against Brown University. The Bulldogs played the nationally ranked team hard, but came up short, losing 5-1.

Junior Ces Jeia scored the lone goal for the booters.

Bryant then played their home opener against Sacred Heart University. Sacred Heart went up early, 1-0, but Bryant came back to tie it 1-1 on a Jeia head ball.

The second half was a long battle, ending with Sacred Heart sneaking a shot past Senior Goalkeeper Mike Pavano.

Next up for the Bulldogs was a long trip to NE-10 rival, Saint Michael University. Bryant went up early on a goal from Senior Steve Bigler. In the second half the lead was secured with two more goals, one from Ces Jeia and the other from Freshman Jared Dewey.

Coach Andrew McMahon was proud of his team and noted the play of the defense as a main factor in the win. Said McMahon: "This is a young, hard working team. This win proves that they have what it takes to go places in the NE-10. We still have a long way to go, but I think we're getting a surprise a lot of people."

The team next plays UMass Lowell at home on Thursday at 3:30 p.m. Bentley will be in town at 1:00 p.m. on Saturday.

Women's Tennis Swings into Action

Men's Golf Offered

David Markedly
Archway Staff Writer

You have graduated from Bryant and acquired your first job. Your employers are so thrilled with your work they hand you the account of an important prospective client. When you call them, they suggest an early morning meeting later that week...playing 18 holes of golf at a local country club.

"We have a lot of new bodies on the court. We haven't had a chance to put everything together and get used to everyone," Bras added.

As a team, Bryant is first in kills with 363 (12.66 per game); second in assists with 363 (12.96); and second in kill percentage with 251.

When asked about the teams progress, Bras said, "It's too early in season. We had high expectations, but our matches have not been that great."

"The freshmen are doing awesome, especially the ones who are starting," Maria Bras said.

"We are pretty well balanced," Bras added.

On Tuesday night, the team traveled to Sacred Heart and came away with a win three games to one.

In the first match of the Bryant Invitational, the Bulldogs defeated UMass Lowell in four games. In game one, Bryant started slow, but was able to bounce back to win 16-14. The Bulldogs won game two easily 15-4; however, Lowell was able to regroup and win 15-10. In the final game, Bryant was able to shut down their opponent and come away with a 15-7 win.

In the next match, they faced defending champion Dowling College from Long Island, New York. Dowling came out ready to play, and forced Bryant to five games. In game one, Bryant edged out Dowling 17-15. Dowling then controlled game two winning 15-10. The Bulldogs won game three easily 15-6, and in the final game, Bryant was able to keep the game close; however, Bentley won 15-10. Bentley then went on to win game two 15-8 and game three 15-10 to capture the tournament crown.
